Colorado Ballot Initiative

Term Limits for Federally Elected

Representatives of the People of the State of Colorado

4/11/09

In order to reduce corruption at the Federal Level and in the best interests of the people of the State of Colorado we are seeking an Amendment to the Colorado State Constitution that requires any elected representative to the US Senate to be limited in his or her position to a single term of 6 years and any elected representative to the House of Representatives to be limited in his or her position to no more than 2 terms of 2 years each. Any currently active Representatives shall carry out the remainder of their terms and step down.
