COMMITTEE OF REFERENCE REPORTS

The committees recommend the following:

Judiciary

After consideration on the merits, the committee recommends that **SB01-210** be amended as follows and, as so amended be referred to the Committee on Appropriations with favorable recommendation.

Amend printed bill, page 2, after line 1, insert the following:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds that:

(a) Studies show that the recidivism rate for certain persons who are convicted of unlawful sexual behavior is significantly higher than for persons who are convicted of other crimes;

(b) Persons who are convicted of unlawful sexual behavior and subsequently released into the community with little or no supervision can pose an extreme danger to society, especially to children, who are most in need of society's protection;

(c) Unlawful sexual behavior takes a devastating toll on society, creating victims who, though they may recover from the physical injuries they receive, often suffer from psychological trauma and injury that continues throughout their lives, affecting their personal and social relationships and their ability to fully participate in and contribute to society;

(d) Requiring persons who are convicted of unlawful sexual behavior to periodically and consistently register with their local law enforcement agencies is a necessary step in reducing the danger posed by these persons;

(e) Studies show that most persons who engage in unlawful sexual behavior develop a pattern of actions that lead up to the offense and that refusing to register as a sex offender is, in certain cases, an early step in following that pattern and often leads, ultimately, to a subsequent offense of unlawful sexual behavior;

(f) Imposing a significant penalty for failure to register as a sex offender is likely to result in greater compliance with the sex offender registration requirements and more effective law enforcement and will provide a more effective mechanism for early intervention with a person before that person's pattern of actions culminates in creation of another victim of unlawful sexual behavior.

(2) The general assembly therefore finds that failure to register as a sex offender is a serious offense that requires imposition of a significant penalty in order to adequately protect the public safety."

Renumber succeeding sections accordingly.

SR01-013 by Senator Musgrave and Dyer (Durango)--Concerning Colorado state senate's opposition to the treatment of United States military personnel held captive by the government of the People's Republic of China.

WHEREAS, On April 1, 2001, a United States Navy EP-3E reconnaissance plane collided with a Chinese fighter jet while doing routine surveillance over international waters causing the death of the Chinese pilot, Wang Wei; and

WHEREAS, The 24 crew members of the United States aircraft were forced to make an emergency landing at a Chinese military base on Hainan Island in the South China Sea; and

WHEREAS, The Chinese inappropriately boarded the United States aircraft, examined the top-secret technology aboard it, and have detained the American crew members; and

WHEREAS, Although disputed by China, the accident occurred when the Chinese aircraft started to fly directly below the United States aircraft and the American aircraft executed a banking maneuver; and

WHEREAS, It is unconscionable for China to demand an apology from the United States for this accident when it is clear that the United States aircraft and its crew were lawfully performing the routine, yet vital, function of gathering intelligence for the United States government and that the accident was brought on by increasingly aggressive Chinese fighter pilots; and

WHEREAS, The United States had, prior to this accident, made complaints to the Chinese government about the increasingly aggressive and dangerous tactics used during these intercepts by Chinese pilots; and

WHEREAS, The captivity of the 24 American crew members is another example of China's poor human rights record and should play an integral role in preventing the city of Beijing and the country of China from hosting the 2008 Summer Olympics; and

WHEREAS, The families and friends of the American crew members are anxiously waiting for their safe return; and

WHEREAS, Yellow ribbons flutter from many tree branches and fence posts in Oak Harbor, Washington, where residents keep a vigil for the detained crew members; and

WHEREAS, We, the Colorado State Senate, out of respect and sympathy for the crew members and their families who are being held as prisoners, respectfully request that Mayor Wellington Webb return to Colorado from China where he is meeting with Chinese representatives regarding the creation of a trade office in China, until the crew members are released by the Chinese government; now, therefore,

Be It Resolved by the Senate of the Sixty-third General Assembly of the State of Colorado:

That we, the members of the Colorado State Senate, hereby express our opposition to and abhorrence of the treatment of the captured American crew members by the government of the People's Republic of China and request the President and Congress of the United States to take all necessary steps to convey this expression of the Senate to the Chinese government and to ensure the immediate release of these Americans.

Be It Further Resolved, That copies of this Senate Resolution be sent to the President, Speaker of the United States House of Representatives, the President of the United States Senate, each member of the Colorado congressional delegation, and Mayor Wellington Webb.
