JBC Staff Concurrence with Legislative Council Fiscal Note

XXX	**Concurs**		**Does Not Concur**		**Updated**

Amendments/Appropriation Status

The bill does not contain an appropriations clause. Section 2-2-703, C.R.S., requires that all bills resulting in a net increase in periods of imprisonment be passed with five years of appropriations for prison bed construction and operating expenses. **Staff has therefore prepared J.001** which inserts an appropriations clause containing the required costs as reflected in the Legislative Council Staff Fiscal Note. The amendment:

- Transfers $69,467 General Fund to the Capital Construction Fund which will exempt this expenditure from the six percent Arveschoug-Bird limit;
- Transfers $69,467 from the Capital Construction Fund to the Corrections Expansion Reserve Fund;
- Appropriates non-exempt operating costs to the Department of Corrections for four years beginning with $26,689 General Fund in FY 2002-03.
