 48 principal." or "This power of attorney shall become effective upon the
 49 disability of the principal." or similar words showing the intent of the
 50 principal that the authority conferred shall be exercisable notwithstanding
 51 his OR HER disability, the authority of the attorney-in-fact or agent is
 52 exercisable by him OR HER as provided in the power on behalf of the
 53 principal notwithstanding later disability or incapacity of the principal at
 54 law or later uncertainty as to whether the principal is dead or alive. IF

15 disability or incompetence or uncertainty as to whether the principal is
16 dead or alive have the same effect and inure to the benefit of and bind the
17 principal or his OR HER heirs, devisees, and personal representative as if
18 the principal were alive, competent, and not disabled. If a guardian or
19 conservator thereafter is appointed for the principal, the attorney-in-fact
20 or agent, during the continuance of the appointment, shall consult with
21 the guardian on matters concerning the principal's personal care or

26 to financial matters. Subject to any limitation or restriction of the
27 guardian's powers or duties set forth in the order of appointment and
28 endorsed on the letters of guardianship, a guardian has the same power
29 to revoke, suspend, or terminate all or any part of the power of attorney

32 incompetent, except with respect to medical treatment decisions made by
33 an agent pursuant to sections 15-14-506 to 15-14-509; however, such
34 exception shall not preclude a court from removing an agent in the event
35 an agent becomes incapacitated, or is unwilling or unable to serve as an

HJR02-1076 by Representative Swenson; also Senator Nichol-- Concerning a study toward improving the safety, cost effectiveness, and efficiency of the regulation of commercial vehicles in Colorado.

WHEREAS, The Colorado motor carrier industry and various public agencies have long been concerned with improving the efficiency and cost effectiveness of state regulatory programs for commercial vehicles at the state level, as well as improving the overall safety of commercial vehicle operations in Colorado; and

WHEREAS, Various state agencies and departments within Colorado are involved and concerned with commercial vehicle operations, and a myriad of regulations exist for commercial vehicles, which in some cases are confusing, time-consuming, and costly for the industry; and

WHEREAS, The Colorado Motor Carrier Advisory Council consists of various state agencies involved in motor carrier regulation and representatives from various sectors of private industry with motor carrier operations, and serves as a forum to promote public/private partnerships, improve the safety of commercial vehicle operations, promote a positive public outreach to the citizens of Colorado, and pursue initiatives designed to improve operating efficiencies of both the motor carrier industry and public agencies involved with commercial vehicle operations; and

1 WHEREAS, The Colorado Motor Carrier Advisory Council has
 2 recognized that certain efficiencies and cost savings could be accrued by
 3 both the public and private sector and that improvements to the state's
 4 overall commercial vehicle safety efforts could be realized through a
 5 cooperative study among the state agencies involved in commercial
 6 vehicle regulation along with representatives of the private sector; and
 7

8 WHEREAS, Such cooperative study could provide a series of
 9 recommendations for legislative and regulatory actions toward improving
 10 the state's regulatory programs for commercial vehicles; and
 11

12 WHEREAS, The Colorado Motor Carrier Advisory Council has
 13 suggested that such cooperative study be conducted in 2002; now,
