("board") as the governing authority for the college. Specifies the appointment of the board members and the duties and obligations of the board. Specifies that members appointed to the board shall have the authority to act on behalf of the board prior to obtaining confirmation by the senate. Transfers all powers, duties, and functions formerly performed by the state board of agriculture ("SBA") with respect to the college to the board. Specifies that all policies, resolutions, procedures, and agreements previously approved by the SBA and applicable to the college shall remain in force and effect unless and until changed by the board.

Requires the moneys in the fund to be used to pay for salaries and operating expenses of the board and of Fort Lewis college or to be invested pursuant to law.

Requires the SBA and the board to enter into an inter-governmental agreement to address issues such as: The existing lease of the Hesperus property; the use of the real property on the college's main campus being used for the Colorado state forest service district office; and the transfer of all bonded and municipal lease debt related to the college.

Addresses the budget transfer from the SBA to the board for fiscal year 2002-03 and the budget allocations for fiscal years beginning on and after July 1, 2003, as well as other funding issues for the college.
