<p>information should include the number of FTE, the associated costs (such as workers' compensation, health and life benefits, need for additional space, etc.) that are related to the additional FTE, the direct and indirect matching requirements associated with the federal grant or donated funds, the duration of the grant, and a brief description of the program and its goals and objectives.</p>						
6	All Departments, Totals -- The General Assembly requests that copies of all reports requested in other footnotes contained in this act be delivered to the Joint Budget Committee and the majority and minority leadership in each house of the General Assembly. Each principal department of the state shall produce its rules in an electronic format that is suitable for public access through electronic means. Such rules in such format shall be submitted to the Office of Legislative Legal Services for publishing on the Internet. It is the intent of the General Assembly that this be done within existing resources.					
20	Department of Education, Assistance to Public Schools, Categorical Programs; and Department of Higher Education, Division of Occupational Education, Colorado Vocational Act Distributions pursuant to Section 23-8-102, C.R.S. -- The Department of Education is requested to work with the Department of Higher Education and to include in its annual budget request information concerning each categorical program. For grant programs, such information should include, but not be limited to: (a) The total number and dollar amount of requests received; (b) the amount awarded or distributed to each district, board of cooperative services, or administrative unit; and (c) a description of the criteria utilized to evaluate requests and to determine grant awards. For other programs, such information should include, but not be limited to: (a) The total amount distributed to each district, board of cooperative services, or administrative unit; (b) the total amount that each entity would be eligible to receive pursuant to state law and/or State Board of Education rule; and (c) a description of the method or formula used to determine the amount for which entities are eligible and to distribute funds.					
65	Department of Higher Education, Colorado Commission on Higher Education -- For the FY 2003-04 budget request, the Colorado Commission on Higher Education is directed to submit a unified budget request representing all functions performed by the Governing Boards and Local District Junior Colleges. This request should include the independent Colorado State University agencies and the various occupational education programs under the Colorado Community College and Occupational Education System. In recognition of the state's General Fund appropriation limitation, the Commission is directed to limit the total General Fund increase requested to no more than six percent.					
66	Department of Higher Education, Colorado Commission on Higher Education; and Governing Boards and Local District Junior Colleges, Regents of the University of Colorado -- It is the intent of the General Assembly that in the future requests for enrollment funding for the University of Colorado Health Sciences Center's nursing program will be calculated in a manner similar to the request for enrollment funding for all other higher education institutions.					
67	Department of Higher Education, Colorado Commission on Higher Education; Governing Boards and Local District Junior Colleges, State Board for Community Colleges and Occupational Education State System Community Colleges; Division of Occupational Education, Area Vocational School Support -- The Colorado Commission on Higher Education, in conjunction with the Community Colleges of Colorado and the Area

The report should identify cost-effective options that may provide more flexibility to higher education, including the scenario in which higher education is exempted from this program. The report should provide a comparison of cost estimates of the options identified.</p>					
68	<p>Department of Higher Education, Colorado Commission on Higher Education, Special Purpose, Rural Education Access Program -- It is the intent of the General Assembly to allow the Colorado Commission on Higher Education to roll forward the appropriation for the Rural Education Access Program to the next fiscal year.</p>					
69	<p>Department of Higher Education, Colorado Commission on Higher Education, Special Purpose, Enrollment/Cash Fund Contingency -- The Colorado Commission on Higher Education may transfer spending authority from this line item to the Governing Boards in the event that tuition or other cash fund revenues increase beyond appropriated levels. The spending authority for this line item shall be in addition to the funds appropriated directly to the Governing Boards. The Colorado Commission on Higher Education shall not authorize transfers for spending authority from this line item to support tuition or fee increases.</p>					
<u>70</u>	<p>Department of Higher Education, Colorado Commission on Higher Education Financial Aid -- The Department should continue its efforts to provide data on the efficiency and effectiveness of state financial aid in expanding access to higher education for Colorado residents. The Department is requested to provide to the Joint Budget Committee by November 1 of each year an evaluation of financial aid programs, which should include, but not be limited to: 1) an estimate of the amount of federal, institutional, and private resources (including tax credits) devoted to financial aid; 2) the number of recipients from all sources; 3) information on typical awards; and 4) the typical debt loads of graduates. To the extent possible the Department should differentiate the data based on available information about the demographic characteristics of the recipients.</p>

73	Department of Higher Education, Governing Boards and Local District Junior Colleges, Trustees of the State Colleges in Colorado; State Board of Agriculture; Regents of the University of Colorado; Trustees of the Colorado School of Mines; University of Northern Colorado; State Board for Community Colleges and Occupational Education State System Community Colleges; Auraria Higher Education Center -- Notwithstanding the limitations set forth in subsection (3) of section 1 of this act, the FTE reflected in these line items are shown for informational purposes and are not intended to be a limitation on the budgetary flexibility allowed by Section 23-1-104 (1) (a) (I), C.R.S.						
74	Department of Higher Education, Governing Boards and Local District Junior Colleges, Trustees of the State Colleges in Colorado; State Board of Agriculture; Regents of the University of Colorado; Trustees of the Colorado School of Mines; University of Northern Colorado; State Board for Community Colleges and Occupational Education State System Community Colleges -- It is the intent of the General Assembly that each governing board, except the Community Colleges, may increase tuition rates by an amount calculated to generate up to a maximum of 7.7 percent additional revenue from resident students and up to a maximum of 7.7 percent additional revenue from nonresident students, not including the effects of enrollment changes. It is the intent of the General Assembly that the Community Colleges may increase tuition rates by an amount calculated to generate up to a maximum of 5.7 percent additional revenue from resident students and up to a maximum of 7.7 percent additional revenue from nonresident students, not including the effects of enrollment changes. These rates are used in order to increase spending authority for program enhancements and this is not an attempt by the General Assembly to set tuition policy. Each governing board will give consideration to establishing equity of tuition increases among the campuses and programs under the governing board's jurisdiction. In addition to the tuition increases outlined above, the General Assembly has approved an additional \$3,274,351 in tuition spending authority for the Regents of the University of Colorado as follows: \$842,384 for various tuition rate increases at the Colorado Springs campus; \$933,800 for various tuition rate increases at the Denver campus; \$1,097,000 for tuition rate increases in programs associated with the college of business at the Boulder campus; and \$401,167 for nursing, doctor of medicine, physical therapy, and doctor of dental surgery programs at the Health Sciences Center. Also, the General Assembly has approved an additional \$878,422 in tuition spending authority for the State Board of Agriculture for programs associated with the college of veterinary medicine at Colorado State University.
