**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)*

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters indicate new material to be added to existing statute.*  
*Dashes through the words indicate deletions from existing statute.*

**Authorization for permits.** Specifies that the issuance and use of a permit to carry a concealed handgun ("permit") is a matter of statewide concern. Assigns responsibility for issuing permits to county sheriffs and the official having the duties of a sheriff in a city and county.

**Qualifications to receive permits.** Specifies the qualifications for receiving a permit, including:

- Residency;
- Age;
- Ability to possess a firearm under state and federal law;
- Whether the applicant uses alcoholic beverages illegally or excessively;
- Whether the applicant is an unlawful user of or addicted to a controlled substance;
- Whether the applicant is the subject of a permanent restraining order or of a temporary or criminal restraining order in effect at the time of application;
- Competence with a handgun.

Allows a sheriff to deny the issuance of a permit if the sheriff has documentary evidence that the person would be a danger to self or others.

**Use of permits.** Specifies the minimum contents of the permit and how the permit may be used. Directs the sheriffs to ensure all permits contain the same items of information and are the same size and color. Identifies conditions under which a handgun is not considered concealed.

**Submittal of applications.** Specifies the documents, including an application, a permit fee, and, in some circumstances, a photograph, that an applicant must submit to a sheriff to apply for a permit. Instructs the sheriff to witness the applicant's signature on the permit application, to verify the applicant's identity, to take two full sets of the applicant's fingerprints, which must be sent to the Colorado bureau of investigation ("CBI"), and to determine whether the applicant meets the requirements for obtaining a permit. Requires the CBI to destroy the fingerprints immediately upon determining whether the applicant meets the permit requirements. Specifies the procedures for denying a permit, including giving notice of the right to request a second review by the sheriff, to seek judicial review, and to submit additional information for the record. Directs the sheriff to establish the amount of the new and renewal permit fees based on the actual costs of issuing and renewing the permits, and sets caps on the fee amounts. Requires each sheriff to submit an annual report to the general assembly containing information concerning permit applications and the number of permits issued, but not including the names of permit applicants.

**Judicial review.** Establishes procedures for judicial review of a sheriff's denial of, suspension of, revocation of, or refusal to renew a permit. Allows for judicial review either following or in lieu of a second review by the sheriff. Specifies that the sheriff bears the burden of

proving by a preponderance of the evidence that he or she appropriately denied, suspended, revoked, or refused to renew the permit. Directs the reviewing court to award attorney fees to the prevailing party on review.

**Emergency permits.** Establishes procedures for a sheriff to issue an emergency permit to a person whom the sheriff determines is in immediate danger. Allows a sheriff to issue an emergency permit to a person 18 years of age or older. Makes the emergency permit valid for 90 days. Allows renewal of an emergency permit for one additional 90-day period; except that, if the permittee is younger than 21 years of age, allows renewal for repeated 90-day periods until the permittee reaches 21 years of age.

**Maintaining and renewing permits.** Specifies conditions under which a permit may become invalid or may be suspended. Establishes procedures for renewing a permit, including the documents to be filed and the fee to be paid.

**Exemptions.** Exempts a law enforcement officer from another state from the permit requirement so long as the officer's state exempts Colorado law enforcement officers. Allows certain retired peace officers automatically to qualify for a permit within the first 5 years after retirement.

**Reciprocity.** Recognizes as valid in this state a permit issued to a person at least 21 years of age by another state that recognizes the validity of Colorado permits.

**Carrying restrictions.** States that a permit authorizes the permittee to carry a concealed handgun in all areas of the state, except as restricted by state law. Prohibits a local government from adopting a resolution or ordinance restricting the carrying of a concealed handgun that would conflict with the state law. Specifies that a permit does not authorize a permittee to carry a concealed handgun in areas where carrying is prohibited by federal law, in secure public buildings, or on public elementary or secondary school grounds, with some exceptions. Clarifies the rights of private property owners to control their private property.

**Immunity.** Grants civil immunity to the CBI, local law enforcement agencies, and employees of said entities for the good faith implementation of the act. Grants civil immunity in suits for damages arising from issuance or denial of a permit to persons who provide information concerning an applicant.

**Existing permits.** Provides that permits issued prior to the effective date of the act shall expire on June 30, 2005, or on the date specified in the permit, whichever occurs first. Specifies procedures for renewing existing permits.

Makes conforming amendments.

Makes an appropriation.

27 (2) IS A CLASS 1 PETTY OFFENSE. A CHARGE OF FAILURE TO CARRY AND
