Dear Sir,

I am submitting this proposed ballot legislation, for the upcoming 2004 ballot.

That an amendment be added to the Colorado statutes, requiring the preparation of a pre-nuptial agreement, prior to the issuing of a marriage license.

TEXT

That the entities in Colorado, shall only be allowed to issue a marriage license to individuals presenting a notarized prenuptial agreement, and that a copy of said notarized agreement presented to the issuing entity, shall be maintained in record.
