

DRAFT #2

Be it enacted by the people of the state of Colorado:

Article XVIII, Section 2 of the Constitution of the State of Colorado is hereby amended by the addition of the following new subsection 8, to read:

(1) Definitions. For purposes of this section:

(a) "Lottery commission" means the Colorado lottery commission, as it existed on January 1, 2003, and any successor agency.

(b) "Parimutuel wagering" means the wagering of money or any other thing of value on the outcome of one or more races that are run or broadcast at a greyhound track, horse track, or simulcasting facility.

(c) "Racing commission" means the Colorado racing commission, as it existed on January 1, 2003, and any successor agency.

(d) "Video lottery terminal" means a computerized video game machine that, when activated by insertion of cash, tokens, or any other form of valuable consideration, plays or simulates the play of a game of chance and awards credits, evidenced by a printed pay voucher that is redeemable for cash, tokens, or any other form of valuable consideration, on the basis of chance. "Video lottery terminal" does not include any machine or device that directly disburses coins, cash, tokens, or any item of value other than a printed voucher; provided, however, that no "slot machine," as that term is defined in this constitution, that dispenses a printed voucher and is approved for use in limited gaming by the Colorado limited gaming control commission shall be considered to be a "video lottery terminal."

(2) Notwithstanding any other provision of law, neither the lottery commission nor the racing commission shall authorize the installation or operation of video lottery terminals in any facility that is licensed to offer parimutuel wagering in the state of Colorado.
