**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)*

Declares that competition in the motor vehicle carrier industry will benefit Colorado consumers. Changes the standard for issuing a certificate of public convenience and necessity for a taxi to whether the service meets safety, insurance, and service quality standards.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
Capital letters indicate new material to be added to existing statute.  
Dashes through the words indicate deletions from existing statute.

Requires the principal owners of a taxi service and taxi drivers to have a criminal history record check, and denies a certificate to owners who have been convicted of felonies involving dishonesty and drivers who have been convicted of a crime against a person.

Imposes a fee of \$10,000 for issuance of a certificate and \$5,000 annually for holding a certificate. Uses the fees to provide nonemergency transportation to persons who qualify for assistance under the "Children's Basic Health Plan Act", the "Colorado Medical Assistance Act", or the "Colorado Indigent Care Program".
