

COLORADO ASSOCIATION OF HEALTH PLANS

AETNA The Colorado Association of Health Plans (CAHP) is a trade association of health plans providing health benefits to over 3 million Coloradans.

Approach to Health Care Coverage Reform

ANTHEM BLUE CROSS
BLUE SHIELD

- Status quo not acceptable
- Every American/Coloradan should have coverage
- Public and private sector basis

ASSURANT

Health Care Reform is More Than Expanding Access to Coverage

CIGNA HEALTHCARE

- High costs and utilization of medical, hospital, pharmaceutical care
- Clinical variation, quality, patient safety
- Inconsistent access to care
- Administrative complexity and expense
- Distorted market forces
- Cost-shifting

COLORADO ACCESS

CAHP Principles for Expanding Health Care Coverage

- Complex issue with many components: federal, state, employers, individuals, health plans and providers

DENVER HEALTH
MEDICAL PLAN, INC.

STATE PERSPECTIVE

GREAT-WEST
HEALTHCARE

- Implement robust Medicaid and CHP+ programs
 - Cover those currently eligible
 - Cover low income adults [100% FPL]
- Increase Medicaid funding and reimbursement
 - Revitalize Medicaid managed care
 - Stop cost shift
- Support employer-based coverage
 - Sliding scale premium subsidy
 - Regulatory environment for innovative benefit design
- Ensure adequate and sustainable funding for CoverColorado/safety net providers

ROCKY MOUNTAIN
HEALTH PLANS

Affordability-Affordability-Affordability

SAN LUIS VALLEY
HMO

- Benefit Plan Design
- Cost-containment of medical inflation
- Chronic Disease Management
- Quality/Patient safety

UNITEDHEALTHCARE

208 Commission Process
