Sharon:

Thank you very much for the information.

Based on our review of the record, I think one piece of additional information may be helpful to the Committee. Representative Balmer first heard about the Minority Leader vacancy at 2:00 p.m. on Dec. 12. Representative May told Rep. Balmer, and other members of leadership, on a conference call at that time. It is Rep. Balmer's understanding that they were the first to find out.

I wanted to provide this to you in written form so that you are able to enter it into the record in case this point becomes relevant in the Committee's discussion. Please let me know if we can provide any additional information to assist the Committee with its work. -Jon

Jon,

While I can't predict what the committee members may do or ask, I would think it is unlikely that something would arise during the meeting that would require your participation. I think it is likely that the committee members will be discussing among themselves the complaint, the answer, and all of the documentation gathered at the committee's request.

The committee meeting should be broadcast on line. The meeting is being held in HCR 0111 and the audio broadcast should be available through the GA's website (www.leg.state.co.us). The video/audio broadcast link is the first link in the right hand column of the page.

I will get in touch with you if something comes up. Thanks.
Sharon

Sharon:

I am out of town for work this week. I just want to confirm that there will be no ability/need for us to participate in the Committee meeting on Tuesday.

Also, can you please confirm that I will be able to listen to the Committee meeting online?

As always, I am available via my cell phone (720)313-2782 or via email if you need anything from me. Thanks Sharon. -Jon.
