

PROPOSED AMENDMENT TO HB 1036 – RE: POST TRAINING

Amendment proposed by Families of Homicide Victims and Missing Persons, Inc (FOHVAMP) to address the increasing number of unsolved homicides in Colorado

Amend the bill by adding the following language:

On pg. 2 line 18 – add the following section:

advanced or continuing law enforcement
24-31-312 -- The training provided for peace officers shall include comprehensive training for all officers who may be assigned to the investigation of homicides regarding the proper techniques, practices, strategies and skills necessary for solving homicide cases. On or before August 1, 2010, the POST Board shall certify the curriculum for the training and such training shall be offered to eligible peace officers on or after September 1, 2010. A certificate of achievement shall be awarded for satisfactory completion of this training.

made available

NOTE: This language is modeled after the language added in 2008 requiring training on DNA collection and preservation. See 24-31-311.
