SENATE COMMITTEE OF REFERENCE REPORT

Chairman of Committee

Date

Committee on Local Government and Energy.

After consideration on the merits, the Committee recommends the following:

SB09-004 be amended as follows:

1 Amend printed bill, page 2, after line 1, insert the following:

2 **"SECTION 1. Legislative declaration.** It is the intent of the
3 general assembly to stimulate the economy in the state of Colorado during
4 this period of economic uncertainty by encouraging the state's largest
5 industry to expand in Colorado. The general assembly recognizes that
6 fees and increased regulatory burdens discourage development of natural
7 resources in Colorado. The general assembly further recognizes the
8 importance of protecting jobs and economic opportunity by the
9 development of our natural resources. The general assembly therefore
10 declares that its adoption of this act is intended to further these policies
11 of economic development and the limitation of increased fees and
12 regulatory burdens."

13 Renumber succeeding sections accordingly.
