*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration.** (1) The general assembly hereby finds that:

(a) It is in the public interest to eliminate or reduce barriers to individuals who need primary identification documents in order to achieve self-sufficiency and financial security;

(b) In many instances, citizens and legal residents need both a certified birth certificate and a valid state identification card to access public benefits, secure affordable housing, obtain employment, register for school, and receive health care;

(c) The cost of obtaining these documents may present a substantial barrier to indigent and low-income persons and their children;

(d) Because the lack of valid identification is an impediment to successful re-entry and employment, which, as research shows, is linked to lower recidivism, the fee to obtain such identification should be waived for adult and juvenile offenders who cannot afford these documents upon release from custody; and

(e) Individuals with a criminal conviction face barriers because:

(I) Eligibility for a state identification card requires an exact match between the name on the birth certificate and other documents;

1 (II) While other individuals may petition the court for a name  
2 change to resolve any discrepancy, persons convicted of a felony and  
3 certain juvenile offenders are currently barred from legally changing their  
4 names.

5 (2) Therefore, the general assembly finds that it is necessary and  
6 appropriate to:

7 (a) Eliminate or reduce barriers to obtaining identity-related  
8 documents to promote economic opportunity and reduce poverty in the  
9 state; and

10 (b) Give a court discretion to authorize a change of name for  
11 persons convicted or adjudicated of certain crimes if the court is satisfied  
12 that the change of name is appropriate.
