5 Amendment No. 1, by Representative(s) Vaad.
6

7 Amend printed bill, strike everything below the enacting clause and
8 substitute:
9

10 **"SECTION 1. Legislative declaration.** (1) The general
11 assembly hereby finds and declares that:
12

13 (a) Overpayments are a serious problem for certain government
14 entities, and especially for state agencies given the magnitude and
15 complexity of state operations;
16

17 (b) Overpayments waste tax dollars and detract from the
18 efficiency and effectiveness of governmental operations by diverting
19 resources from their intended uses;
20

21 (c) An overpayment occurs when an individual, vendor, or other
22 entity receives a payment from a state agency or another government
23 entity in error or in excess of the legal amount to which the individual,
24 vendor, or other entity is entitled.
25

26 (2) The general assembly further finds and declares that:
27

28 (a) Recovery audits are a nationally recognized best practice for
29 disbursements management and provide insight for improving operational
30 efficiency and internal controls in the disbursement of tax dollars;
31

32 (b) In order to improve the economy and efficiency of government
33 operations, it is necessary, appropriate, and in the best interests of the
34 state:
35

36 (I) To require the state controller to contract for recovery audits
37 to recoup overpayments by state executive and judicial branch agencies
38 or certain other government entities of state or federal tax dollars; and
39

40 (II) To require the state auditor to contract for recovery audits to
41 recoup overpayments by state legislative branch agencies of state or
42 federal tax dollars.
43

44 (c) Recovery audits will not cost the state any money because the
45 contractor's costs are deducted from any dollars recovered, which makes
46 recovery audits self-funding.
47

48 **SECTION 2.** Part 2 of article 30 of title 24, Colorado Revised

31 regard to the option of being sentenced to the youthful offender system.
32 Accordingly, it is the general assembly's intent that necessary measures
33 be taken by the department of corrections to establish separate housing
34 for female and male offenders who are sentenced to the youthful offender
35 system without compromising the equitable treatment of either.

36
37
38 (2) (a) (I) A juvenile may be sentenced to the youthful offender

46 corrections in accordance with section 18-1.3-401. The court shall

48 to the youthful offender system, including a period of community
49 supervision. The court shall impose any such sentence to the youthful
50 offender system for a determinate period of not fewer than two years nor
51 more than six years; except that a juvenile or young adult offender
52 convicted of a class 2 felony may be sentenced for a determinate period
53 of up to seven years. In imposing such sentence, the court shall grant
54 authority to the department of corrections to place the offender under a
55 period of community supervision for a period of not fewer than six
56 months and up to twelve months any time after the date on which the

1 offender has twelve months remaining to complete the determinate
2 sentence. The court may award an offender sentenced to the youthful
3 offender system credit for presentence confinement; except that such
4 credit shall not reduce the offender's actual time served in the youthful
5 offender system to fewer than two years. The court shall have a
6 presentence investigation conducted before sentencing a juvenile or
7 young adult offender pursuant to this section. Upon the request of either
8 the prosecution or the defense, the presentence report shall include a
9 determination by the warden of the youthful offender system whether the
10 offender is acceptable for sentencing to the youthful offender system.
11 When making a determination, the warden shall consider the nature and
12 circumstances of the crime; the age, circumstances, and criminal history
13 of the offender; the available bed space in the youthful offender system;
14 and any other appropriate considerations.

28 section 1 (3) of article V of the state constitution against this act or an
29 item, section, or part of this act within such period, then the act, item,
30 section, or part shall not take effect unless approved by the people at the
31 general election to be held in November 2010 and shall take effect on the

7

8 Amendment No. 1, by Representative(s) McFadyen.
9 Amend printed bill, strike everything below the enacting clause and
10 substitute:
11

12 **"SECTION 1. Legislative declaration - intent.** (1) The general
13 assembly hereby finds and declares that:
14

15 (a) Although the ports of entry section is currently operated by the
16 department of revenue, many duties and functions of the ports of entry
17 section are also performed by the Colorado state patrol in the department
18 of public safety;
19

20 (b) The motor carrier safety assistance program of the port of
21 entry section of the department of revenue would operate more efficiently
22 if consolidated within the Colorado state patrol in the department of
23 public safety;
24

25 (c) Such a transfer would promote operational efficiency and
26 programmatic consolidation of state safety inspection and enforcement
27 responsibilities by assigning program administration to a single agency;
28

29 (d) Such a transfer would improve traffic safety by implementing
30 a broader and more effective commercial vehicle safety enforcement
31 program because more state troopers would be strategically located
32 throughout the state; and
33

34 (e) Certain statutory changes are required to clarify the authority
35 of the department of revenue and the Colorado state patrol in the
36 department of public safety as the authority of those departments relate
37 to the ports of entry.
38

39 (2) Therefore, it is the intent of the general assembly that:
40

41 (a) Such a transfer be completed prior to the implementation of
42 the "CSA 2010" initiative by the federal motor carrier safety
43 administration; and
44

45 (b) That the department of public safety, in coordination with the
46 department of revenue and the department of transportation, initiate a
47 study to examine additional efficiencies within the port of entry section,
48 as specified in section 2 of this act.
49

9 THE DEPARTMENTS SHALL WORK COOPERATIVELY TO DETERMINE THE

12 DURING THE COURSE OF THE STUDY. THE STUDY SHALL INCLUDE, BUT NOT

14 INFRASTRUCTURE, MANAGEMENT, POTENTIAL COST SAVINGS OR
15 EFFICIENCIES, AS WELL AS HOW THE PORT OF ENTRY SECTION MAY

18 OPERATING THE PORTS OF ENTRY SECTION IN A COST-EFFECTIVE MANNER.
19 THE INDEPENDENT PRIVATE VENDOR SHALL COMPLETE THE PERFORMANCE

9 RESPONDENT IS ABLE TO STATE ITS OPPOSITION AND BEFORE THE
10 AUTHORIZER'S ATTORNEY CERTIFIES IN WRITING OR IN PERSON TO THE

12 THE CHARTER RESPONDENT. A TEMPORARY ORDER ISSUED PURSUANT TO
13 THIS SUBSECTION (2) SHALL STATE THE DATE AND HOUR OF ISSUANCE,

45 APPROPRIATE, BUT NEITHER A FORMAL ADVERSARIAL HEARING NOR
46 APPLICATION OF THE RULES OF EVIDENCE SHALL BE REQUIRED.
47

48 (d) FOLLOWING A MEETING HELD PURSUANT TO PARAGRAPH (c) OF

54 (4) THE COMMISSIONER MAY DEMAND PRODUCTION OF PUBLIC
55 RECORDS AS OTHERWISE PROVIDED FOR IN SECTION 24-72-203, C.R.S.,
56 MAY ISSUE SUBPOENAS AS OTHERWISE PROVIDED FOR IN SECTION 24-4-105

1 (5), C.R.S., AND MAY DRAW APPROPRIATE INFERENCES FROM FAILURE OF

7 DAYS, UPON GOOD CAUSE SHOWN.

8
9 (6) (a) A TEMPORARY OR PRELIMINARY ORDER MAY APPOINT THE
10 AUTHORIZER OR ANOTHER ENTITY OR PERSON TO ACT AS A FIDUCIARY;
11 EXCEPT THAT, IF MORE THAN ONE AUTHORIZER IS A PARTY TO THE
12 PROCEEDING OR IF THE AUTHORIZER IS REQUESTING AN ORDER OF
13 REORGANIZATION, THE COMMISSIONER SHALL APPOINT A SEPARATE
14 PERSON OR ENTITY THAT IS NOT A PARTY TO THE PROCEEDING TO ACT AS
15 A FIDUCIARY. THE FIDUCIARY MAY EXERCISE, SUBJECT TO THE
16 LIMITATIONS SET FORTH IN PARAGRAPH (b) OF THIS SUBSECTION (6), THE
17 POWERS OVER AND FOR THE CHARTER RESPONDENT THAT ARE ORDINARILY
18 EXERCISED BY THE CHARTER RESPONDENT'S BOARD OF DIRECTORS AND
19 MAY TAKE ACTION RESPECTING EXCESS BENEFITS AS AUTHORIZED
20 PURSUANT TO SECTION 22-30.5-604.

21
22 (b) A TEMPORARY OR PRELIMINARY ORDER SHALL NOT AUTHORIZE,
23 NOR BE CONSTRUED TO PERMIT, A FIDUCIARY TO:

24
25 (I) CONCLUDE, DISSOLVE, RELINQUISH, OR SURRENDER THE
26 CHARTER CONTRACT;

27
28 (II) EFFECT NONRENEWAL OR REVOCATION OF THE CHARTER
29 CONTRACT;

30
31 (III) NEGOTIATE, RENEGOTIATE, OR AMEND THE CHARTER
32 CONTRACT;

33
34 (IV) EXERCISE THE LEGAL STANDING OF THE CHARTER
35 RESPONDENT IN ANY ADMINISTRATIVE OR COURT PROCEEDING OTHER
36 THAN ONE BROUGHT PURSUANT TO THIS SECTION; EXCEPT THAT THE
37 FIDUCIARY MAY SEEK RECOVERY OF UNPAID MONEYS DUE TO THE
38 CHARTER RESPONDENT FROM AN AUTHORIZER;

39
40 (V) TRANSFER INTO A TRUST THE ASSETS OF THE CHARTER
41 RESPONDENT;

42
43 (VI) REPEAL, ALTER, AMEND, RESTATE, OR IN ANY FASHION
44 MODIFY THE CHARTER RESPONDENT'S ORGANIC DOCUMENTS;

46 (VII) REMOVE, RECALL, OR APPOINT ANY MEMBER OF THE
47 CHARTER RESPONDENT'S GOVERNING BOARD OR OFFICERS;

48
49 (VIII) TAKE ANY ACTION THAT IS RESERVED FOR THE
50 MEMBERSHIP OF A CHARTER RESPONDENT THAT IS ORGANIZED AS A
51 MEMBERSHIP ORGANIZATION; OR

52
53 (IX) TAKE ANY ACTION THAT IS NOT WITHIN THE POWER OF THE
54 CHARTER RESPONDENT'S GOVERNING BOARD.

55
56 (7) THE COMMISSIONER MAY REQUIRE A FIDUCIARY TO PROVIDE

1 EVIDENCE OF APPROPRIATE INSURANCE COVERAGE, INCLUDING BUT NOT
2 LIMITED TO APPROPRIATE CERTIFICATES OF INSURANCE. THE INSURANCE
3 COVERAGE SHALL BE REASONABLY ADEQUATE TO PROTECT AGAINST RISKS
4 OF LIABILITY FOR ANY ACTIONS TAKEN UNDER AN ORDER GRANTED
5 PURSUANT TO THIS SECTION.

6
7 (8) (a) IF AN AUTHORIZER HAS REQUESTED AN ORDER OF
8 REORGANIZATION AND THE COMMISSIONER, AFTER APPROPRIATE
9 PROCEEDINGS PURSUANT TO THIS SECTION, HAS APPOINTED A FIDUCIARY
10 OTHER THAN THE AUTHORIZER TO EXERCISE CERTAIN POWERS, THE
11 FIDUCIARY SHALL INDEPENDENTLY DETERMINE WHETHER TO CONTINUE TO
12 REQUEST THE ORDER OF REORGANIZATION. AN ORDER OF
13 REORGANIZATION SHALL BE AUTHORIZED ONLY IF IT IS ISSUED IN
14 COMPLIANCE WITH THE PROCESSES, STANDARDS, AND PURPOSES SET
15 FORTH IN THIS SECTION.

16
17 (b) A FIDUCIARY OTHER THAN AN AUTHORIZER MAY REQUEST AN
18 ORDER OF REORGANIZATION AT ANY TIME WHILE A PRELIMINARY ORDER
19 OR AN EXTENSION OF A PRELIMINARY ORDER IS PENDING, SO LONG AS THE
20 FIDUCIARY PROVIDES AT LEAST TEN DAYS' NOTICE TO THE CHARTER
21 RESPONDENT, THE AUTHORIZER, AND THE COMMISSIONER. THE FIDUCIARY
22 SHALL SPECIFICALLY STATE IN THE NOTICE THE POWERS OF
23 REORGANIZATION HE OR SHE IS REQUESTING AND THE REASONS JUSTIFYING
24 THE REQUEST. NOTWITHSTANDING THE LIMITATIONS PLACED ON THE
25 POWERS OF A FIDUCIARY ACTING UNDER A TEMPORARY OR PRELIMINARY
26 ORDER, AS SET FORTH IN SUBSECTION (6) OF THIS SECTION, THE POWERS OF
27 REORGANIZATION SHALL ONLY INCLUDE ONE OR MORE OF THE FOLLOWING
28 POWERS:

29
30 (I) TO FILL ONE OR MORE BOARD VACANCIES, NOTWITHSTANDING
31 THE CHARTER RESPONDENT'S ORGANIC DOCUMENTS;

32
33 (II) TO REMOVE ONE OR MORE BOARD DIRECTORS OR OFFICERS,
34 NOTWITHSTANDING THE CHARTER RESPONDENT'S ORGANIC DOCUMENTS;
35 OR

36
37 (III) TO MAKE SPECIFIC, STATED MODIFICATIONS TO THE CHARTER
38 RESPONDENT'S ORGANIC DOCUMENTS, NOTWITHSTANDING THE PROCESS
39 FOR AMENDMENT OR RESTATEMENT OTHERWISE PRESCRIBED IN THOSE
40 DOCUMENTS.

41
42 (c) THE COMMISSIONER MAY ISSUE AN ORDER OF REORGANIZATION
43 ONLY AFTER GIVING THE AUTHORIZER AND THE CHARTER RESPONDENT A
44 REASONABLE OPPORTUNITY TO BE HEARD, AND THEN ONLY IF THE
45 COMMISSIONER FINDS THAT THE RISKS CREATED BY THE EMERGENCY TO
46 THE CHARTER RESPONDENT AND THE AUTHORIZER CANNOT BE RESOLVED
47 BY ANY LESS RESTRICTIVE MEANS. IN ANY MEETING HELD BEFORE ISSUING
48 AN ORDER OF REORGANIZATION, THE COMMISSIONER MAY ACCEPT
49 EVIDENCE AND ARGUMENT FROM THE PARTIES INVOLVED AS HE OR SHE
50 DEEMS APPROPRIATE, BUT NEITHER A FORMAL ADVERSARIAL HEARING NOR
51 APPLICATION OF THE RULES OF EVIDENCE SHALL BE REQUIRED.

52
53 (d) AN ORDER OF REORGANIZATION SHALL BE VALID FOR THE
54 BALANCE OF THE TERM OF ANY PENDING PRELIMINARY ORDER OR FOR
55 SIXTY DAYS, WHICHEVER IS GREATER, AND MAY BE RENEWED FOR AN
56 ADDITIONAL THIRTY DAYS UPON GOOD CAUSE SHOWN. AN ORDER OF

1 REORGANIZATION SHALL BE VALID FOR NO MORE THAN NINETY DAYS.

2
3 (9) THE FIDUCIARY SHALL SUBMIT APPROPRIATE FINANCIAL
4 INFORMATION TO THE COMMISSIONER AND THE DIRECTOR OF PUBLIC
5 SCHOOL FINANCE WITHIN THE DEPARTMENT OF EDUCATION AND PROVIDE
6 COPIES TO THE CHARTER RESPONDENT AND AUTHORIZER. THE CHARTER
7 RESPONDENT AND AUTHORIZER MAY SUBMIT ADDITIONAL INFORMATION
8 TO THE DIRECTOR OF PUBLIC SCHOOL FINANCE. AFTER RECEIPT OF ALL
9 PERTINENT FINANCIAL INFORMATION, THE DIRECTOR OF PUBLIC SCHOOL
10 FINANCE SHALL MAKE A WRITTEN RECOMMENDATION TO THE
11 COMMISSIONER.

12
13 (10) A TEMPORARY OR PRELIMINARY ORDER OR AN ORDER FOR
14 REORGANIZATION GRANTED PURSUANT TO THIS SECTION SHALL STATE THE
15 REASONS FOR ISSUANCE; BE SPECIFIC IN ITS TERMS; AND DESCRIBE IN
16 REASONABLE DETAIL, WITHOUT REFERENCE TO THE REQUEST OR OTHER
17 DOCUMENTS, THE ACT OR ACTS AUTHORIZED. AN ORDER GRANTED
18 PURSUANT TO THIS SECTION IS BINDING ONLY UPON THE FIDUCIARY AND
19 THE PARTIES TO THE PROCEEDING, THEIR OFFICERS, AGENTS, SERVANTS,
20 EMPLOYEES, AND ATTORNEYS AND UPON THOSE PERSONS IN ACTIVE
21 CONCERT OR PARTICIPATION WITH THEM OR WHO RECEIVE ACTUAL NOTICE
22 OF THE ORDER. AN ORDER APPOINTING A FIDUCIARY MAY SPECIFY OR
23 LIMIT THE FIDUCIARY'S POWERS AND MAY DIRECT THE FIDUCIARY TO ACT
24 ONLY UPON PARTICULAR ISSUES OR ONLY TO EXERCISE CERTAIN POWERS.

25
26 (11) EXPENSES INCURRED BY AN AUTHORIZER IN PURSUING A
27 PROCEEDING PURSUANT TO THIS SECTION SHALL BE BORNE BY THE
28 AUTHORIZER, AND EXPENSES INCURRED BY A CHARTER RESPONDENT IN
29 DEFENDING ANY PROCEEDING PURSUANT TO THIS SECTION SHALL BE
30 BORNE BY THE CHARTER RESPONDENT. EXPENSES INCURRED BY A
31 FIDUCIARY SHALL BE SUBMITTED TO THE CHARTER RESPONDENT AND
32 COMMISSIONER FOR APPROVAL AND, AFTER THE COMMISSIONER RESOLVES
33 ANY DISPUTED CHARGES, SHALL BE BORNE BY THE CHARTER RESPONDENT.

34
35 (12) NOTWITHSTANDING ANY OTHER PROVISION OF COLORADO
36 LAW, INCLUDING BUT NOT LIMITED TO THE "COLORADO REVISED
37 NONPROFIT CORPORATION ACT", ARTICLES 121 TO 137 OF TITLE 7, C.R.S.,
38 OR ANY PROVISION OF A CHARTER CONTRACT TO THE CONTRARY, THE
39 POWERS GRANTED PURSUANT TO THIS PART 6 SHALL BE EFFECTIVE AND
40 VALID AS A MATTER OF LAW.

41
42 (13) NOTHING IN THIS PART 6 SHALL LIMIT THE AUTHORITY OF AN
43 AUTHORIZER TO EXERCISE ANY CONTRACTUAL RIGHTS, INCLUDING ANY
44 REMEDIES, EMERGENCY OR OTHERWISE, FOR BREACH OF A CHARTER
45 CONTRACT. A CHARTER CONTRACT PROVISION THAT PURPORTS TO GRANT
46 AUTHORITY TO AN AUTHORIZER TO EXERCISE EMERGENCY POWERS AS
47 DESCRIBED IN THIS PART 6 SHALL BE CONSTRUED, IF POSSIBLE, TO BE
48 CONSISTENT WITH THIS PART 6. A PROVISION CONSTRUED TO BE
49 INCONSISTENT WITH THIS PART 6 SHALL BE DEEMED CONTRARY TO PUBLIC
50 POLICY, VOID, UNENFORCEABLE, AND OF NO LEGAL EFFECT. THE BURDEN
51 SHALL BE ON THE CHARTER RESPONDENT TO DEMONSTRATE THAT SUCH A
52 PROVISION IS INCONSISTENT WITH THIS PART 6.

53
54 (14) AN ORDER ISSUED PURSUANT TO THIS SECTION SHALL BE
55 FINAL AND BINDING AND NOT SUBJECT TO APPEAL. A CHARTER
56 RESPONDENT MAY SEEK JUDICIAL REVIEW OF AN ORDER ISSUED PURSUANT

1 TO THIS SECTION UNDER RULE 106 (a) (4) OF THE COLORADO RULES OF
2 CIVIL PROCEDURE; EXCEPT THAT A TEMPORARY ORDER SHALL NOT BE
3 SUBJECT TO JUDICIAL REVIEW. A CHARTER RESPONDENT MAY FILE AN
4 ACTION FOR JUDICIAL REVIEW IN THE DISTRICT COURT FOR THE CITY AND
5 COUNTY OF DENVER OR THE DISTRICT COURT IN THE COUNTY IN WHICH
6 THE CHARTER RESPONDENT IS LOCATED.

7
8 (15) AN ORDER ISSUED PURSUANT TO THIS SECTION SHALL NOT BE
9 DEEMED TO BE AN APPOINTMENT OF A TRUSTEE OR RECEIVER UNDER THE
10 TERMS OF ANY FINANCING OF A CHARTER SCHOOL FACILITY OR OTHER
11 INSTRUMENT.

12
13 (16) THE COMMISSIONER MAY FILL ANY VACANCY CREATED BY
14 THE DEATH OR INABILITY OF A FIDUCIARY OR, FOR GOOD CAUSE SHOWN,
15 MAY REMOVE A FIDUCIARY THAT IS EXERCISING POWERS PURSUANT TO A
16 PRELIMINARY ORDER OR ORDER OF REORGANIZATION AND APPOINT A NEW
17 FIDUCIARY.

18
19 (17) A MEETING CONDUCTED BY THE COMMISSIONER PURSUANT TO
20 THIS SECTION SHALL BE OPEN TO ALL PARTIES TO THE PROCEEDING. AN

36 by this subsection (11), ~~such~~ THE extension may be granted for good
37 cause by the commission, a commissioner, or the administrative law
38 judge, as the case may be, but the total period of all such extensions to
39 either the respondent or the complainant shall not exceed ninety days
40 each, and, in the case of multiple parties, the total period of all extensions
41 shall not exceed one hundred eighty days.

42

43 (13) Any member of the commission and any person participating
44 in good faith in the making of a complaint or a report or in any
45 investigative or administrative proceeding authorized by THIS PART 3 AND
46 parts 3 to 7 4 TO 8 AND PART 10 of this article shall be immune from
47 liability in any civil action brought against him OR HER for acts occurring
48 while acting in his OR HER capacity as a commission member or
49 participant, respectively, if ~~such~~ THE individual was acting in good faith
50 within the scope of his OR HER respective capacity, made a reasonable
51 effort to obtain the facts of the matter as to which he OR SHE acted, and
52 acted in the reasonable belief that ~~the~~ HIS OR HER action ~~taken by him~~ was
53 warranted by the facts.

54

55 (14) ~~No~~ A person may NOT file a civil action in a district court in
56 this state based on an alleged discriminatory or unfair practice prohibited

1 by parts 4 to 7 8 AND PART 10 of this article without first exhausting the
2 proceedings and remedies available to him OR HER under this part 3
3 unless he OR SHE shows, in an action filed in the appropriate district court,

43
44 The Honorable Colorado House of Representatives
45 Sixty-Seventh General Assembly
46 Second Regular Session
47 State Capitol Building
48 Denver, CO 80203

49
50 Ladies and Gentlemen:

51
52 I have the honor to inform you that I have approved and filed with the Secretary
53 of State the following Act:

54
55 HOUSE BILL 10-1376 CONCERNING THE PROVISION FOR PAYMENT OF
56 THE EXPENSES OF THE EXECUTIVE, LEGISLATIVE, AND JUDICIAL

1 DEPARTMENTS OF THE STATE OF COLORADO, AND OF ITS
2 AGENCIES AND INSTITUTIONS, FOR AND DURING THE FISCAL YEAR
3 BEGINNING JULY 1, 2010, EXCEPT AS OTHERWISE NOTED.

4
5 Approved on April 29, 2010, at 12:18 p.m.

6
7 It is my constitutional obligation to review the general appropriations bill and
8 exercise the line item veto when necessary. This year I have not exercised the
9 line item veto; therefore, I have approved House Bill 10-1376 (the "FY 2010-11
10 Long Bill") as a whole. However, in this letter, I am providing additional
11 directions for five footnotes.

12
13 I would like to thank the General Assembly for working with me to balance
14 Colorado's critical priorities during these difficult budgetary times. Due to
15 projections of insufficient revenue, this budget reflects minimal increases to
16 support caseload increases and meet statutory and constitutional requirements.
17 It also implements significant General Fund spending reductions in many areas.

18
19 I have approved House Bill 10-1376 based on the assumption that Senate Bill
20 10-190, Suspension of the Senior Property Tax Exemption (White/Riesberg),
21 will be passed. If this piece of legislation is not passed by the General
22 Assembly, I will take necessary actions to maintain a balanced budget in FY
23 2010-11.

24 25 FOOTNOTES

-
- 26
27
28 **1. Footnote 4c, page 27: Department of Corrections, Institutions,**
29 **Mental Health Subprogram --** It is the intent of the General Assembly
30 that the Department of Corrections submit a plan to the House Judiciary
31 Committee and the Senate Judiciary Committee before offenders with
32 mental illness (OMIs) are placed in the beds at Colorado State
33 Penitentiary (CSP) being converted for use by OMIs. Without limiting
34 the scope of the report, the report shall include, at a minimum, plans in
35 the following areas: (1) the basic purpose of the OMI beds at CSP in
36 terms of the role those beds serve relative to the offender's mental
37 health status; (2) the criteria the DOC will use to place offenders in the
38 beds; (3) the services that will be provided to the offenders; (4) the
39 classification levels that will be used and an explanation of the
40 characteristics of those levels; (5) whether and, if so, how offenders will
41 transition from CSP to the general population; and (6) a description of
42 the conditions of confinement, such as the amount of time offenders
43 will be out of their cells, the amount of time in solitary confinement, the
44 availability of recreational, visitation, educational, therapeutic and other
45 programming opportunities and conditions for participating in those
46 opportunities.

47
48 **I am not vetoing this footnote; however, I am directing the Department to**
49 **comply only to the extent feasible.** Requesting that the Department submit a
50 plan to various legislative committees before the placement of mentally ill
51 offenders at the Colorado State Penitentiary is administratively burdensome.
52 This footnote goes beyond simply expressing legislative intent and violates the
53 separation of powers in Article III of the Colorado Constitution by attempting
54 to administer the appropriation and runs afoul of House Bill 08-1321. However,
55 I am directing the Department to comply only to the extent feasible by
56 providing an annual report to include the information requested in the footnote.

1
2 **2. Footnote 7a, page 49: Department of Governor - Lieutenant**
3 **Governor - State Planning and Budgeting, Office of State Planning**
4 **and Budgeting, Operating Expenses** – It is the intent of the General
5 Assembly that the Office of State Planning and Budgeting study the
6 effectiveness of consolidating executive branch human resources within
7 a single executive branch agency and provide a report of the findings to
8 the Joint Budget Committee and the House and Senate Committees on
9 State, Veteran’s and Military Affairs no later than December 1, 2010.

10
11 **I not vetoing this footnote;** however, I am directing the Office of State
12 Planning and Budgeting to work with the executive departments to determine
13 a further course of action and whether and to what extent compliance with the
14 intent set forth in the footnote is in the best interest of the efficient management
15 of executive branch agencies.

16
17 **3 Footnote 18, page 103: Department of Human Services, Office of**
18 **Information Technology Services, Child Care Automated Tracking**
19 **System; and Division of Child Care** -- It is the intent of the General
20 Assembly that this project: 1) have a steering committee that includes
21 a county commissioner, a county human services director, and a user of
22 the system; 2) that the Department pilot the program before rolling it
23 out; 3) that the steering committee, including the county representatives,
24 should decide whether the system is "go" or "no go" at the roll out
25 stages; and 4) that ongoing costs for maintenance and administration of
26 this system be covered through savings in or reductions to the Colorado
27 Child Care Assistance Program and remaining Child Care Development
28 Fund reserves. The new system will not drive additional costs to the
29 state General Fund.

30
31 **I am not vetoing this footnote, but am directing the Department to comply**
32 **only to the extent feasible.** By detailing the intended membership of the
33 steering committee, requesting a pilot program be conducted, vesting the “go”
34 or “no go” decision in the steering committee, and specifying the manner in
35 which maintenance and administration costs be covered, this footnote goes well
36 beyond simply expressing legislative intent and violates the separation of
37 powers in Article III of the Colorado Constitution by attempting to administer
38 the appropriation and runs afoul of House Bill 08-1321 by requesting that
39 certain administrative action be taken in connection with an appropriation. I,
40 however, am not vetoing this footnote because the direction provided is framed
41 as the intent of the General Assembly; I will, therefore direct the Department
42 to consider the General Assembly’s suggestions during the implementation of
43 this project.

44
45
46 **4 Footnote 24, page 105: Department of Human Services, Services for**
47 **People with Disabilities, Community Services for People with**
48 **Developmental Disabilities, Program Costs** – It is the intent of the
49 General Assembly that all adults with developmental disabilities
50 receiving Medicaid or State funding shall be offered all available day
51 services, including supported employment, facility and community
52 based activities, and pre-vocational services. Medicaid waivers for
53 services for people with developmental disabilities shall be amended as
54 soon as possible to include pre-vocational services as a program option.
55 The waiver amendments shall indicate that the progress towards
56 community employment of individuals receiving pre-vocational services

1 will be reviewed every five years. If the review indicates, and the
2 consumer and guardian agree, that a move to community employment
3 is appropriate, then that change may be made. This does not preclude
4 the individual continuing in pre-vocational services until a community
5 job can be secured. Medicaid guidelines do not require, nor shall the
6 waiver amendment include, a limit on the time an individual may
7 receive pre-vocational services. Further, the Department shall provide
8 non-integrated work services for consumers who are currently enrolled,
9 or who choose to enroll, in programs offering facility-based work until
10 the waivers for the provision of pre-vocational services are approved.
11 The Department shall report back to the Joint Budget Committee and
12 the Health and Human Services of the House and Senate by September
13 2010 on the status of the waiver amendments to include pre-vocational
14 services, the pre-vocational rate, and any transition issues.
15

16 **I am not vetoing this footnote, but am directing the Department to comply**
17 **only to the extent feasible.** By detailing the content of amendments to the
18 Medicaid waivers for persons with developmental disabilities, how/when
19 individuals receiving pre-vocational services are reviewed, continued provision
20 of pre-vocational services post review, continued provision of non-integrated
21 work services for currently enrolled individuals, and the provision of a report
22 to the Joint Budget Committee and the Health and Human Services of the
23 House and Senate, this footnote goes well beyond simply expressing legislative
24 intent and violates the separation of powers in Article III of the Colorado
25 Constitution by attempting to administer the appropriation and runs afoul of
26 House Bill 08-1321 by requesting that certain administrative action be taken in
27 connection with an appropriation. I, however, am not vetoing this footnote
28 because the direction provided is framed as the intent of the General Assembly;
29 I will, therefore direct the Department and the Department of Health Care
30 Policy and Financing to consider the General Assembly's suggestions.
31

32 **5. Footnote 45a, page 223: Department of Revenue, Enforcement**
33 **Business Group, Limited Gaming Division** -- It is the intent of the
34 General Assembly that the Department of Revenue shall not spend more
35 than 5.0 percent of Amendment 50 revenues for administrative expenses
36 of the Limited Gaming Division.
37

38 **I am not vetoing this footnote; however, I am directing the Department not**
39 **to comply.** Intending that the Department not spend more than 5.0 percent of
40 Amendment 50 revenues on administrative expenses of the Limited Gaming
41 Division, constitutes extensive oversight of the appropriation which is in
42 violation of Article XVIII, Section 9, Paragraph 5(b)(I), which states in part,
43 payments of on-going expenses of the Commission "shall not be conditioned
44 on any appropriation by the general assembly." I, however, am not vetoing this
45 footnote because the direction provided is framed as the intent of the General
46 Assembly.

8 "SECTION 2. 24-51-412 (2), Colorado Revised Statutes, is
9 amended to read:

10
11 **24-51-412. Denver public schools district - contributions and**
12 **disbursements - legislative declaration.** (2) Due to the circumstances
13 specified in subsection (1) of this section, contributions required to be
14 made by employers in the Denver public schools division pursuant to
15 section 24-51-401 (1.7) (a) and disbursements required to be made
16 pursuant to section 24-51-411 shall be reduced by an amount in each year
17 equal to the obligations of the Denver public schools with respect to
18 outstanding PCOPS, or any obligations incurred to refinance the PCOPS,
19 at a fixed effective annual interest rate of eight and one-half percent and
20 with principal maturities as they exist on January 1, 2010, or on the date
21 of issuance of any obligations to refinance the PCOPS, recognizing that
22 it is not the intention to increase substantially the offset by accelerating
23 principal maturities through refinancing. The annual offset may be
24 applied by the Denver public schools in installments as it determines so
25 long as there are sufficient monthly contributions to fund the DPS health
26 care trust fund and the annual increase reserve required pursuant to section
27 24-51-1009, taking into account the true-up provisions in section
28 24-51-401, and the calculation of the offset shall be included in the
29 contribution reports required by section 24-51-401 (1.7) (a). Since, as
30 stated in paragraph (b) of subsection (1) of this section, the funded ratio
31 of the Denver public schools retirement system trust fund presently
32 exceeds that of the school division of the association, the anticipated
33 equalization of the funded ratios over a thirty-year period of the two
34 divisions provided in section 24-51-401 (2) may necessarily result in a
35 decline in the funded ratio of the Denver public schools division trust
36 fund. Denver public schools shall annually submit to the association
37 audited financial statements showing the actual debt service experience
38 related to the PCOPS. SUCH FINANCIAL STATEMENTS SHALL BE PUBLIC
39 RECORDS SUBJECT TO DISCLOSURE PURSUANT TO THE "COLORADO OPEN
40 RECORDS ACT", PART 2 OF ARTICLE 72 OF THIS TITLE."

12 **"SECTION 1. Legislative declaration.** (1) The general
13 assembly finds that, on account of the mobility of drivers and the frequent
14 use of driver improvement schools as a sentencing option for violators of
15 traffic laws, the competence of driver improvement schools is important
16 to the entire traveling public and the citizens of Colorado. Therefore, the
17 general assembly hereby declares that this is a matter of statewide
18 concern and applies to all courts and driver improvement schools that
19 teach students within Colorado.

20
21 (2) In 2009, the general assembly passed House Bill 09-1246 to
22 provide some oversight and evaluation of driver improvement schools
23 because members of the general assembly heard from concerned citizens
24 about the quality of services provided by driver improvement schools.
25 The passage of House Bill 09-1246 did not give the department of
26 revenue sufficient tools to adequately implement a program of oversight
27 and evaluation of driver improvement schools. The department of
28 revenue, through rule-making, plans to meet with stakeholders to provide
29 further input into the development of an oversight mechanism for driver
30 improvement schools. Therefore, the general assembly determines that
31 this act is necessary to adequately provide the department of revenue with
32 the tools it needs to oversee driver improvement schools.

33
34 **SECTION 2.** 42-1-223 (1) and (2), Colorado Revised Statutes,
35 are amended, and the said 42-1-223 is further amended BY THE
36 ADDITION OF THE FOLLOWING NEW SUBSECTIONS, to read:

37
38 **42-1-223. Monitoring driver improvement schools - fund -**
39 **registration - rules.** (1) The defensive driving school fund, referred to
40 in this section as the "fund", is hereby created in the state treasury. The
41 fund shall consist of ~~penalty surcharges~~ FEES collected pursuant to section
42 42-4-1717 (3). The moneys in the fund shall be used to implement a
43 program to monitor and evaluate driver improvement schools pursuant to
44 this section, INCLUDING THE REGISTRATION OF DRIVER IMPROVEMENT
45 SCHOOLS. The moneys in the fund at the end of each fiscal year shall not
46 revert to the general fund.

47
48 (2) (a) The department shall, in accordance with article 103 of title
49 24, C.R.S., contract with a private entity by ~~July 1, 2010~~, MARCH 1, 2011,
50 to monitor and evaluate the curriculum and effectiveness of driver
51 improvement classes required by section 42-4-1717.

52
53 (b) The ~~private entity~~ VENDOR shall submit a report to the
54 referring court within three months after a school has been evaluated
55 summarizing the curriculum, location, security, quality, and effectiveness
56 of the classes. The private entity shall also submit an abstract of such

1 reports to the department annually.

2
3 (4) NO PERSON WHO OPERATES A DRIVER IMPROVEMENT SCHOOL,
4 INCLUDING INTERNET SCHOOLS, SHALL ACCEPT STUDENTS WHO ARE
5 LICENSED DRIVERS UNLESS THE PERSON REGISTERS THE SCHOOL WITH THE
6 DEPARTMENT OF REVENUE OR THE VENDOR IN COMPLIANCE WITH THIS
7 SUBSECTION (4). THE PERSON SHALL ANNUALLY RENEW THE SCHOOL'S
8 REGISTRATION.

9
10 (5) FOR THE PURPOSES OF THIS SECTION, UNLESS THE CONTEXT
11 OTHERWISE REQUIRES:

12
13 (a) "DRIVER IMPROVEMENT SCHOOL" MEANS A SCHOOL THAT
14 ACCEPTS STUDENTS WHO POSSESS A VALID DRIVER'S LICENSE. "DRIVER
15 IMPROVEMENT SCHOOL" DOES NOT MEAN A DRIVING SCHOOL THAT
16 TEACHES DRIVING SKILLS TO NEW OR UNSKILLED DRIVERS FOR THE
17 PURPOSES OF LICENSING OR A COMMERCIAL DRIVING SCHOOL OR
18 INSTRUCTOR REGULATED PURSUANT TO ARTICLE 15 OF TITLE 12, C.R.S.

19
20 (b) "VENDOR" MEANS THE PRIVATE ENTITY WHO CONTRACTS WITH
21 THE DEPARTMENT OF REVENUE TO MONITOR AND EVALUATE THE
22 CURRICULUM AND EFFECTIVENESS OF DRIVER IMPROVEMENT CLASSES
23 PURSUANT TO SUBSECTION (2) OF THIS SECTION.

24
25 **SECTION 3.** 42-4-1717 (3), Colorado Revised Statutes, is
26 amended to read:

27
28 **42-4-1717. Conviction - attendance at driver improvement**
29 **school - rules.** (3) (a) (I) Effective January 1, 2010, a ~~person~~ LICENSED
30 DRIVER who is ~~required to attend~~ ATTENDS a course of instruction
31 ~~pursuant to subsection (1) or (2) of this section~~ TO IMPROVE THE PERSON'S
32 DRIVING SAFETY AND COMPLIANCE WITH TRAFFIC LAWS shall pay, in
33 addition to any other penalties, a ~~penalty surcharge~~ FEE as determined by
34 rules promulgated by the department.

35
36 (II) The driver improvement school shall collect the ~~penalty~~
37 ~~surcharge~~ FEE and remit it to the department OR VENDOR AS DEFINED IN
38 SECTION 42-1-223 at least monthly in accordance with rules promulgated
39 by the department.

40
41 (III) The department shall set the ~~penalty surcharge~~ FEE in an
42 amount to offset the direct and indirect cost of implementing section
43 42-1-223. The ~~penalty surcharge~~ FEE shall be transferred to the state
44 treasurer and credited to the defensive driving school fund created in
45 section 42-1-223.

46
47 (b) The court shall include on the referral form information
48 concerning the amount and purpose of the ~~penalty surcharge~~ FEE. If the
49 court determines that a person is unable to pay the cost of the ~~penalty~~
50 ~~surcharge~~ FEE, the court may waive the ~~surcharge~~ FEE and the driver
51 improvement school shall not collect nor remit the ~~penalty surcharge~~ FEE
52 to the department.

53
54 (c) A person who is required to attend a course of instruction
55 pursuant to subsection (1) or (2) of this section shall register with the
56 entity that monitors the driver improvement school pursuant to section

42-1-223. If the person satisfactorily completes the course, the driver improvement school shall electronically notify the entity.

SECTION 4. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety."

HB10-1431 be amended as follows, and as so amended, be referred to the Committee of the Whole with favorable recommendation:

"SECTION 1. 39-4-102 (1) (e) (I) (A) and (1.5) (b) (IV), Colorado Revised Statutes, are amended to read:

39-4-102. Valuation of public utilities. (1) The administrator shall determine the actual value of the operating property and plant of each public utility as a unit, giving consideration to the following factors and assigning such weight to each of such factors as in the administrator's judgment will secure a just value of such public utility as a unit:

(e) (I) When determining the actual value of a renewable energy facility that primarily produces more than two megawatts of alternating current electricity, the administrator shall:

(A) Consider the additional incremental cost per kilowatt of the construction of the renewable energy facility over that of the construction cost of a comparable nonrenewable energy facility, INCLUSIVE OF THE COST OF ALL PROPERTY REQUIRED TO GENERATE AND DELIVER ENERGY TO THE INTERCONNECTION METER, that primarily produces alternating current electricity to be an investment cost and shall not include such additional incremental cost in the valuation of the facility; and

(1.5) The administrator shall determine the actual value of a wind energy facility or a solar energy facility as follows:

(b) (IV) As used in this paragraph (b), "tax factor" means a factor annually established by the administrator. The tax factor shall be a number that when applied to the selling price at the interconnection meter results in approximately the same tax revenue over a twenty-year period on a nominal dollar basis that would have been collected using the cost basis method of taxation as determined by the administrator for a renewable energy facility pursuant to paragraph (e) of subsection (1) of this section. FOR A RENEWABLE ENERGY FACILITY THAT BEGINS GENERATING ENERGY ON OR AFTER JANUARY 1, 2012, THE ADMINISTRATOR SHALL INCLUDE ONLY THE COST OF ALL PROPERTY REQUIRED TO GENERATE AND DELIVER RENEWABLE ENERGY TO THE INTERCONNECTION METER THAT DOES NOT EXCEED THE COST OF PROPERTY REQUIRED TO DELIVER NONRENEWABLE ENERGY TO THE INTERCONNECTION METER.

SECTION 2. Act subject to petition - effective date. This act

1 shall take effect at 12:01 a.m. on the day following the expiration of the
2 ninety-day period after final adjournment of the general assembly (August
3 11, 2010, if adjournment sine die is on May 12, 2010); except that, if a
4 referendum petition is filed pursuant to section 1 (3) of article V of the
5 state constitution against this act or an item, section, or part of this act
6 within such period, then the act, item, section, or part shall not take effect

16 Honorable Colorado House of Representatives
17 67th General Assembly
18 Second Regular Session
19 State Capitol
20 Denver, CO 80203

21
22 Ladies and Gentlemen,
23

24 I am returning to the Colorado House of Representatives House Bill 10-1101,
25 "Concerning the registration of a vehicle used for agricultural production." I
26 vetoed this bill as of 2:54 p.m. today, and this letter sets forth my reasons for
27 doing so.
28

29 As someone who grew up on a farm, I strongly value the work of Colorado's
30 farmers and ranchers. The agricultural industry contributes not only to the
31 economic well-being of Colorado--which is more important now than ever
32 before--but also the moral fiber and long history of our state.
33

34 Since I took office, I have remained committed to ensuring that Colorado's
35 farmers and ranchers are able to continue working their land and that they have
36 new opportunities to expand. I have worked hard to aid rural communities in
37 times of distress--such as during the blizzards early on in my administration,
38 and other hardships such as drought and freezing temperatures that have
39 impacted many food crops across the state.
40

41 I have also made it a top priority to build a New Energy Economy here in
42 Colorado, so that our farmers and ranchers can diversify their investments and
43 our rural communities can benefit from the jobs that renewable energy projects
44 bring to the state. Thanks to the help of many of our farming and ranching
45 organizations, I have signed or fifty pieces of New Energy Economy legislation.
46 Moreover, I made sure to preserve the majority of the existing tax credits for
47 agriculture within my budget balancing package--despite the great economic
48 challenges in the state.
49

50 I feel strongly that we need to preserve the integrity of our existing incentive
51 programs for our agricultural communities. The farm truck license plate
52 program is one program that recognizes farmers' and ranchers' important
53 contributions to the state. Potential abuse of any incentives can detract from the
54 long-term viability of these programs--and I believe that this program is far too
55 important to our farmers and ranchers to risk undermining the existing
56 safeguards.

1
2 Under current law, individuals who wish to register a vehicle as a farm truck
3 must certify on a Colorado Department of Revenue form, under penalty of
4 perjury, that the vehicle will be used for agricultural purposes. In addition,
5 issuers of farm truck license plates may also require that an individual
6 registering a farm truck provide a federal form 1040 F as proof of eligibility.
7 These requirements safeguard the integrity of the farm truck license plate
8 program by ensuring that only eligible members of the agricultural community
9 receive a farm truck license plate.

10
11 House Bill 10-1101 prohibits issuers of farm truck license plate from requiring
12 registrants to show proof of eligibility for those agricultural license plates. The
13 current system has worked well for decades, and I am unconvinced that there
14 is a compelling need for a change. Indeed, by removing the program's existing
15 safeguards, House Bill 10-1101 would expose the agricultural license program
16 to increased fraud in the form of illegitimate farm plate vehicle registrations and
17 non-agricultural vehicles receiving this program's benefit. In turn, an increase
18 in vehicles illegitimately registered with farm plates would adversely impact
19 vehicle registration revenues and reduce the number of vehicles required to
20 submit to an emissions test.

21
22 In order to ensure the continued integrity of the farm truck license plate
23 program and to protect the revenue and environment of the state of Colorado,
24 the current requirements for registering a vehicle as a farm truck should remain
25 unchanged.

26
27 Accordingly, I have vetoed this bill.

28
29 Sincerely,
30 (signed)
31 Bill Ritter Jr.
32 Governor

33

34 Ladies and Gentlemen,

35

36 I am filing with the Secretary of State House Bill 10-1364, "Concerning the sex
37 offender management board, and, in connection therewith, continuing the sex
38 offender management board, and making an appropriation." I vetoed this bill
39 as of 2:39 p.m. today and this letter sets forth my reasons for doing so.

40

41 In 1992, the Colorado General Assembly created the Sex Offender Treatment
42 Board in order to develop standards and guidelines for the assessment,
43 evaluation, treatment, and behavioral monitoring of sex offenders. *See* C.R.S.
44 § 16-11.7-101, *et seq.* In 1998, the General Assembly changed the name of the
45 board to the Sex Offender Management Board ("SOMB") to more accurately
46 reflect the duties assigned to the SOMB.

47

48 Currently, the SOMB consists of community partners from around the state,
49 including the Department of Corrections, the Judicial Department, law
50 enforcement, the public defender's office, private criminal defense attorneys,
51 rural and urban county commissioners, clinical polygraph examiners, the
52 Department of Public Safety, district attorneys, Department of Human Services,
53 licensed mental health professionals with expertise in treating sex offenders, the
54 victim services community, and community corrections. The reason for this
55 approach is that effective supervision of sexual offenders require, a
56 multidisciplinary, team approach. This coordinated system for the management

1 and treatment of sex offenders “contains” the offender and enhances the safety
2 of the community and the protection of victims.

3
4 The SOMB operates from Standards and Guidelines (“Standards”), which were
5 first published in January 1996. The Standards have been revised on four
6 occasions over the last fourteen years to address omissions in the original
7 Standards that were identified during implementation and to keep the Standards
8 consistent with the developing literature in the field of sex offender
9 management.

10
11 House Bill 10-1364 was introduced because the SOMB is due to sunset on July
12 1, 2010. *See* C.R.S. § 16-11.7-103(6)(a). As is the case with each board
13 scheduled for sunset, the Department of Regulatory Agencies (“DORA”)
14 prepared a sunset review report. In that forty-eight page report, DORA
15 recommended that the SOMB be continued for five years and that certain policy
16 changes be included in the reauthorization legislation. The changes
17 recommended in the sunset review report, many of which were included in
18 House Bill 10-1364, are important and would improve the operation of the
19 SOMB. Some of the most important changes – which enjoyed broad consensus
20 among legislators, program administrators, and other stakeholders – include: (1)
21 requiring the board to review the effectiveness of current treatment methods by
22 monitoring offender success or compliance with treatment; (2) moving the
23 complaints, investigations, and discipline of treatment providers from the
24 SOMB to DORA, which builds objectivity into the complaint process; (3)
25 requiring the SOMB to produce and present an annual report to the General
26 Assembly; and (4) authorizing the SOMB to collect data from approved
27 providers, which is necessary to evaluate and assess the effectiveness of
28 approved providers. These provisions are all included in House Bill 10-1364
29 and are designed to provide information to our community regarding whether
30 sexual offenders can be adequately and safely monitored in the community.
31 Moreover, these proposed changes in the law were part of the bill as it was
32 debated in the Judiciary Committees of the House and Senate, which held
33 hearings that totaled more than twelve hours and took testimony from a wide
34 array of experts.

35
36 Unfortunately, an amendment to this bill was introduced and adopted on second
37 reading in the second chamber of the General Assembly on Friday, May, 7,
38 2010, after the last of the public hearings on the bill had been concluded. The
39 amendment, as modified in a conference committee report adopted on the last
40 day of the legislative session, provides:

- 41
42 • Each offender entering treatment on or after July 1, 2010, shall be given
43 a choice by his or her supervising agency of at least three appropriate
44 approved providers where available, unless the supervising agency
45 documents in writing that, based on the nature of the program offered
46 and the needs of the offender, fewer than three providers can meet the
47 specific treatment needs of the offender and ensure the safety of the
48 public.

49
50 *See* House Bill 10-1364 at p. 12, § 5 (C.R.S. § 16-11.7-105(1)).

51
52 Proponents of the amendment argue that the amendment is critical to improving
53 offender-treatment matching, which is a key element to an offender’s success
54 in treatment. Proponents further argue that the amendment does not give a
55 sexual offender free reign to choose his or her treatment provider, but instead
56 only allows an offender to choose an appropriate provider from a list of three

1 providers, each of whom have been certified and approved by the SOMB.

2
3 Opponents argue that this amendment does not provide adequate safeguards to
4 ensure that an offender knows which treatment provider would be most
5 effective, thereby circumventing an appropriate treatment plan. Opponents
6 further argue that the approach embodied in this amendment fails to recognize
7 that the supervising authority, be it probation or parole officer, often have far
8 greater experience in determining the appropriate treatment provider.

9
10 The SOMB Standards are designed to establish a basis for the systematic
11 management and treatment of adult sex offenders. The legislative mandate of
12 the SOMB and the primary goals of the Standards are to improve community
13 safety and protect victims. The language of the amendment discussed above
14 does not, in my view, adequately provide for the systematic treatment of
15 offenders. In fact, allowing offenders to choose from a list of three providers
16 potentially degrades systematic management and treatment, based on specific
17 evaluation tools and accepted practices.

18
19 Furthermore, while this amendment appears to be aimed at striking a balance
20 between public safety and the legitimate interest in increasing the likelihood of
21 success in treatment by improving treatment matching for offenders, this
22 proposal was not included in the sunset review report for the SOMB, nor was
23 it thoroughly vetted during the legislative process, a process that includes an
24 opportunity for lawmakers to hear from experts in the field. On an issue that
25 is this critical to public safety and the overall success of the sex offender
26 treatment program, this failure of adequate vetting and thorough debate
27 constitutes a fatal flaw with the bill.

28
29 For these reasons, I am vetoing House Bill 10-1364.

30
31 Finally, it is important to note that my veto of House Bill 10-1364 will not bring
32 the SOMB to an end on July 1, 2010. Instead, pursuant to C.R.S. § 24-34-
33 104(5), the SOMB will continue to function with full authority through July 1,
34 2011, giving the General Assembly adequate time during next legislative
35 session to reauthorize the board. I will direct my office, the Colorado Criminal
36 Justice Commission, the Sex Offender Management Board, and the impacted
37 executive agencies to work with the members of the General Assembly to
38 prepare a bill that can be introduced on the first day of the 2011 legislative
39 session. The early introduction of such a bill will permit an adequate
40 opportunity for a thorough debate on all aspects of this critical legislation.

41
42 Sincerely,
43 (signed)
44 Bill Ritter, Jr.

49 Ladies and Gentlemen,
50

51 I am filing with the Secretary of State House Bill 10-1281, "Concerning the
52 deregulation of telecommunications service in areas where sufficient market
53 competition exists, and making an appropriation therefor." I vetoed this bill as
54 of 9:51 a.m., and this letter sets forth my reasons for doing so.
55

1 House Bill 10-1281 would permanently exempt interconnected voice-over-
2 internet-protocol, commonly known as VoIP, from regulation by the Colorado
3 Public Utilities Commission ("PUC"). VoIP is a relatively recent innovation
4 that allows consumers to place calls through a broadband internet connection
5 instead of through telephone lines. As a nascent technology, VoIP has had little
6 regulation, either in Colorado or at the federal level, in order to allow VoIP to
7 develop into a competitive alternative to traditional phone lines. Today, VoIP
8 is flourishing. Companies like Comcast have turned VoIP into a viable and
9 growing alternative to landlines, giving the consumers of Colorado a greater
10 variety of choices for voice communication.

11
12 Preemptively barring the State from regulating VoIP at this time is unwise,
13 considering activity at the federal level concerning VoIP. The Federal
14 Communications Commission ("FCC") has not yet taken a position on whether
15 VoIP is strictly an information technology or a telecommunications service, but
16 the FCC is currently in the process of studying the technology to determine if
17 greater regulation is prudent. The implications of the classification are wide-
18 ranging and will determine what kinds of regulations are warranted for VoIP.
19 While I am taking no position on whether VoIP is a telecommunication service
20 or about the manner in which it should be regulated, if at all, it is important to
21 permit the FCC the time to make its decisions concerning VoIP. Further, acting
22 without any standards will result in a disparate patchwork of different laws
23 across the country regulating the service, resulting in confusion for both the
24 industry and its consumers. As a result, it is premature for Colorado to enact
25 the blanket exemption for VoIP contained in House Bill 10-1281.

26
27 While allowing the federal government to take some time is important,
28 Colorado is headed for a future where VoIP may be the predominant form of
29 basic telephone service. Indeed, CenturyLink, the anticipated parent company
30 of Colorado's Qwest, recently announced the completion of the first phase of
31 integrating VoIP with its traditional landlines into one network. This first phase
32 took a mere four months to complete. Comcast's VoIP service already has a
33 large consumer base in the State. As this progression from landlines to VoIP
34 occurs, Colorado cannot be left without the power to regulate such an important
35 technology. Should the need arise, regardless of movement at the federal level,
36 the PUC must have the latitude and authority to regulate the price, quality of
37 service, and availability of VoIP in order to prevent significant harm to the
38 consumers of this State.

39
40 House Bill 10-1281 would also reclassify Qwest's local exchange service from
41 Part 2 to Part 3 in the State telecommunications regulatory framework.
42 Reclassifying Qwest's service as a Part 3 service means that it would be subject
43 to less regulation in order to more fairly compete with new technologies.
44 Pursuant to C.R.S. §§ 40-15-207, 40-15-302, and 40-15-503(2)(c), the PUC
45 already has authority to reclassify Qwest's service without a legislative change.
46 Therefore, the main purpose of this bill can still be accomplished by working
47 through the PUC, and this veto does not diminish the authority of the PUC to
48 make this change or the ability of Qwest to seek such a change.

49
50 Finally, significant changes to the regulatory framework such as those in this
51 bill need to be thoroughly vetted in public hearings either before the legislature
52 or the PUC, particularly when consumer protection is at stake. The changes in
53 this bill did not get sufficient vetting because of the late-introduction of
54 significant amendments. Indeed, this bill was overhauled by a strike-below
55 amendment in Senate Business, Labor and Technology Committee in the
56 closing days of the legislative session. This shortcoming in the process

1 surrounding this bill only serves to amplify my policy concerns with House
2 Bill 10-1281.

3
4 Accordingly, I have vetoed this bill.

5
6 Sincerely,
7 (signed)

19

20 Ladies and Gentlemen,

21

22 I am filing with the Secretary of State House Bill 10-1287, "Concerning the use
23 of a state-owned motor vehicle for commuting purposes." I vetoed this bill as
24 of 11:28 a.m. today, and this letter sets forth my reasons for doing so.

25

26 The purpose of this bill is to increase oversight of the use of state-owned
27 vehicles and to realize savings by restricting the circumstances under which
28 these vehicles can be used to commute to work. Although the intent of this bill
29 is commendable, particularly in light of the State's budgetary circumstances, the
30 savings do not justify the harm it would cause to public health, safety, and
31 welfare.

32

33 House Bill 10-1287 would prohibit an employee from using a state vehicle for
34 commuting unless the Department of Personnel and Administration ("DPA")
35 authorizes such use based on certain criteria set forth in the bill. Employees
36 who receive authorization would be required to reimburse the state for miles
37 used commuting to and from work according to a specified formula. Only
38 employees who drive a clearly marked police or fire vehicle or other "qualified
39 nonpersonal use vehicles" as defined by federal law are exempt from the
40 reimbursement requirement. However, these employees are not exempt from
41 the reimbursement requirement if more than fifty percent of the miles traveled
42 in the vehicle are for commuting to and from work unless the employee is a
43 member of the state patrol. Under the federal tax code, if there is a joint benefit
44 to an employee and the State from using a state-owned vehicle for commuting,
45 then income is imputed to the employee and he or she has to pay taxes on that
46 imputed income. This bill, however, would require all employees who are not
47 exempt from the bill's reimbursement requirements to reimburse the state at a
48 substantially higher rate than the amount that is required by the federal tax code.
49 In order to protect the health and safety of the citizens of Colorado, the State
50 has numerous employees who must be available at all times to respond to a
51 variety of emergency situations. These on-call employees include law
52 enforcement officers, Colorado Bureau of Investigation agents, certain
53 Department of Corrections employees, and Colorado Department of
54 Transportation ("CDOT") construction and maintenance first responders, to
55 name but a few. In order to perform their jobs, these employees frequently need
56 to use state-owned vehicles that have been specially equipped.

1 For example, CBI agents need the equipment that is in their state-owned vehicle
2 to secure and investigate a crime scene as quickly as possible so that the scene
3 does not grow stale or become compromised. This need can arise any time of
4 the day or night. Based on this need, CBI agents are currently required to use
5 state-owned vehicles to commute to and from work so that they can drive a
6 fully equipped vehicle in order to respond quickly to an emergency directly
7 from home. If this bill were to become law, the Department of Public Safety
8 (“DPS”) would be left with the choice of discontinuing the practice of providing
9 a state-owned vehicle to these on-call employees—at a cost to public safety—or
10 continuing the practice and imposing a financial burden on state employees.

11
12 Moreover, many of these on-call state employees are responsible for large
13 swaths of rural Colorado. When these employees are required to respond to an
14 emergency, it is counterproductive and in many cases dangerous to require them
15 to drive many miles to their work station, possibly in the opposite direction
16 from the emergency, in order to get into a state-owned vehicle prior to
17 responding. Time is of the essence when responding to emergencies, and the
18 cost savings realized by this bill do not justify the public safety risks associated
19 with delayed response times.

20
21 In short, the category of employees who are exempt from the reimbursement
22 requirement is too narrow. Under this bill, a large number of state employees
23 who are required to use a state-owned vehicle as an essential tool for
24 performing their jobs would be financially penalized. As a result of imposing
25 this financial burden, it would be harder to hire and retain employees in these
26 positions that are vital to the health and safety of the public.

27
28 Vetoing this bill does not prevent DPA or other agency heads from continually
29 reviewing the use of state vehicles for commuting purposes and modifying the
30 program in a measured way. But this bill, however well-intentioned, sweeps
31 too broadly and at too great a cost to public safety and the efficient delivery of
32 essential state services.

33
34 Accordingly, I have vetoed this bill.

35
36 Sincerely,
37 (signed)

49
50 Ladies and Gentlemen,

51
52 I am filing with the Secretary of State House Bill 10-1409, “Concerning the
53 process by which annual salary increases may be awarded to employees in the
54 state personnel system based on performance, job core competencies, and years
55 of service.” I vetoed this bill as of 9:48 a.m., and this letter sets forth my
56 reasons for doing so.

1 The pay progression system for state employees is broken. For evidence of this,
2 we need look no further than salary distribution within pay ranges for state
3 employees. Instead of employee salaries being evenly distributed through the
4 range or clustered towards the center of the range, there is salary compression
5 at the top, generally for those with many years of service, and at the bottom of
6 the range, typically for those hired within about the last decade. Only a few
7 employees fall in the middle of the range. Employees are reliant on the pay-for-
8 performance system, which has been rarely funded since 2001, and then only
9 sparsely. As a result, under the pay-for performance system, employees barely
10 moved within the range for this past decade. Since recently hired employees are
11 typically paid at the entry level, they are left clustered at the bottom of their
12 respective pay ranges. Although these defects in the compensation structure
13 need to be remedied, this bill is not the right solution.

14
15 House Bill 10-1409 would require the State Personnel Director to develop
16 twelve annual pay increments within each pay range in the state personnel
17 system, leading from the bottom to the top of the respective range. It would
18 also direct the development of corresponding core competencies that an
19 employee would need to exhibit in order to advance to the next pay increment.
20 The bill further requires that, beginning with the 2011-12 fiscal year, each
21 executive agency must include in its annual budget request funding for these
22 pay advancements. These funding requests would be required regardless of the
23 State's budgetary constraints.

24
25 Although many of the goals of this bill are laudable and its provisions were
26 intended to address a significant problem, the bill itself falls short. First, it is
27 not clear that the best way to solve the pay-compression problem is to return to
28 a rigid step-system with twelve incremental steps in each job classification.
29 This approach is inconsistent with best practices for employee compensation in
30 both the public and private sectors. Second, requiring the executive department
31 to include a request for funding this program regardless of the State's budgetary
32 circumstances is imprudent and inflexible.

33
34 If this economic downturn has taught us anything, it is that budgetary flexibility
35 is necessary in order to meet the challenges we face in difficult economic
36 times. It is unwise to put another portion of the state budget on automatic pilot.
37 I fully acknowledge that state employees, along with employees in other sectors,
38 have sacrificed during this current economic downturn. However, removing
39 one of the options for meeting a budget shortfall will only serve to push the
40 burden of balancing the state budget onto a narrower base, likely resulting in
41 deeper cuts to education and safety-net services. The executive branch needs
42 to retain budgetary flexibility as we recover from this downturn and have every
43 tool at its disposal the next time the State faces difficult economic times. For
44 these reasons, I am vetoing House Bill 10-1409.

45
46 Although I am vetoing this bill, I am directing the Department of Personnel and
47 Administration ("DPA") to develop a plan for addressing the myriad problems
48 with pay progression for State employees. In developing the proposal, the
49 Department will work with the Office of State Budgeting and Planning (OSPB),
50 other state agencies and other stakeholders, including our partner employee
51 organizations, to ensure that wide-ranging feedback is considered. The pay plan
52 will be for state employees in the classified system and include a design for
53 systematic salary increases within pay ranges for each job classification in the
54 State personnel system. The plan will consider how to utilize merit, core
55 competencies and other factors to design a new system of performance-based

1 salary increases in a manner that is consistent with best practices in human
2 resources management. The plan must also be one that we as a state can afford.

3
4 The plan will assume that Colorado State employees receive no more than the
5 net increase each year as allowed under Salary Survey. We will incorporate
6 into the plan the concept that a percentage of the total Salary Survey will be
7 specifically allocated to a performance-based incremental salary increase, with
8 the balance being allocated in the traditional Salary Survey methodology.
9 Doing so will support a performance-based system that can be funded within
10 available resources, and will also prevent state employees from experiencing
11 survey-required downward adjustments in the year following an increase.

12
13 I will submit the plan and new total salary structure to the General Assembly as
14 a component of my November 1, 2010 FY 2011-12 Budget Request. At that
15 time, I may or may not request that such structure receive funding in FY 2011-
16 12, but I will recommend that a structure be implemented so that State
17 employees are informed regarding their salary increases. Once the structure has
18 been implemented in an appropriations bill, the State Personnel Director shall
19 include the impact of the performance-based incremental salary increase in all
20 future annual compensation reports pursuant to C.R.S. § 24-50-104(4). Finally,
21 I will direct the State Personnel Director to adopt procedures by January 2011
22 to implement the approved plan.

23
24 I believe that we must address the pay progression issue in a way that is fair,
25 competitive and flexible, and which is subject to annual budgets as proposed by
26 the Governor and approved by the General Assembly. HB 1409 did not meet
27 all of these criteria; the process I am directing DPA to undertake must.
