

Analysis of Minor Splits in Cities and Census Places (CP) in Preliminary House Map Recommended for Technical Changes		
City	District # of split	Analysis
Acres Green (CP)	43	0 population could be included in District 44
Aurora	44	While this is a county split into Douglas County, the blocks included in District 44 that contain a population of 3 could be included in District 45 to keep all of the portions in Aurora in Douglas County in a single district
Black Forest (CP)	15	0 population could be included in District 20
Boulder	12	0 population contained in District 12 could be included in District 13
Brighton	32	0 population could be included in District 22
Canon City	21	Population of 22 could be included in District 60
Cascade-Chipita Park (CP)	20	0 population could be included in District 21
Castle Rock	45	0 population block could be included in District 40
Colorado Springs	19	Population of 17 could be included in District 15
Cortez	58	0 population could be included in District 59
Erie	65	Population of 20 could be included in District 33 but may cause an additional split in Frederick so further review may be necessary
Fort Morgan	65	0 population could be included in District 63
Fountain	21	0 population could be included in District 19 but there is still a discontinuous portion of Fountain that would remain in District 21 that has a population of 9
Frederick	33	0 population could be included in District 65 but may cause an additional split in Erie so further review may be necessary
Fruita	55	Population of 45 could be included in District 54
Glenwood Springs	57	0 population could be included in District 61
Highlands Ranch (CP)	44	0 population could be included in District 45
Ken Caryl (CP)	25	0 population could be included in District 28
Littleton	45	While this is a county split into Douglas County, District 45 that contain a population of 19 that could be added to District 43 to keep all of the portions of Littleton in Douglas County in a single district
Lone Tree	43	0 population could be included in District 44
Lone Tree	45	0 population could be included in District 44
Orchard City	61	0 population could be included in District 54
Palisade	54	0 population could be included in District 55
Parker	40	0 population could be included in District 44
Parker	45	Population of 178 could be included in District 44 as long as not much other population is added to District 44 because this change will put the deviation at 2.5%
Security-Widefield (CP)	17	Population of 5 could be included in District 19
The Pinery (CP)	44	Population of 47 could be included in District 40
Twin Lakes (CP)	34	0 population could be included in District 32
Welby (CP)	32	0 population could be included in District 34

Analysis of Minor Splits in Counties in Preliminary House Map Recommended for Technical Changes		
County	District # of split	Analysis
Morgan	Unassigned	The unassigned population would need to be assigned to District 63, if added to District 65 the deviation would be +3.1%. If the Commission wants to added the unassigned population to District 65 other changes in the district would be required.
