I would appreciate it if you would distribute to the Reapportionment Committee. Please disregard the earlier email I sent as some of the maps did not indicate the correct associated boundary overlay. Also, I was not able to open a map for S4005v1

Thank you,

Sallie Clark

Dear Members of the Reapportionment Committee,

Based on the questions during testimony at last week's meeting, I did some research on minority populations in El Paso County and have overlaid the Hispanic and African-American populations with several of the proposed maps released last Friday for House District 18. This indicates that the higher minority populations would be concentrated within the map H4003v1.

Please see the preliminary analysis in the attached PDF file.

In addition, this map maintains neighborhood integrity west of I-25. I hope to attend tomorrow's discussion and be present for possible testimony on the new maps.

Thank you,

Sallie Clark, El Paso County Commissioner District 3 Vice Chair 27 E. Vermijo Ave., 3rd Floor Colorado Springs, CO 80903 719.520.6413 sallieclark@elpasoco.com 719.651-5030 cell
