State Capitol, Room 271
Denver, CO 80203

Dear Representative Levy,

After careful analysis of SB11-045, the PUC has determined that no additional fiscal resources will be needed in order to comply with the requirements of the legislation. The PUC submitted a fiscal note analysis that assumes the support for the task force and the staff expertise in transmission is currently on staff with the PUC. No legislative council staff will be needed to support the charge of the task force, as defined in SB1-045.

We assume the report can be transmitted electronically, therefore no additional printing costs are required.

Sincerely,

Doug Dean
