Committee. The bill implements the recommendations contained in the sunset review and report of the state board of veterinary medicine (board) as follows:

Sections 1, 2, and 3 of the bill continue the board and its functions for 11 years, until September 1, 2022.

Sections 4, 5, and 6 create an exemption to the veterinarian-client-patient relationship requirement for the dispensing of prescription drugs in emergency situations when the veterinarian who has the relationship with the animal and its owner does not have access to the prescription drug needed. The bill would allow, in limited circumstances and subject to board rules, a 2nd veterinarian who has access to the prescription drug to dispense the drug for the animal, even though that veterinarian lacks a veterinarian-client-patient relationship with the animal and its owner. The 2nd veterinarian would not be subject to discipline for administering the drug without a veterinarian-client-patient relationship if the drug is administered pursuant to the limited exception.

Sections 7 and 8 relocate and create a more comprehensive provision authorizing veterinarians to establish professional service corporations akin to corporations formed by physicians. Section 8 also creates a requirement that all veterinary clinics have a Colorado-licensed veterinarian scheduled and responsible for all veterinary medical decisions when animals are present in the facility. Section 8 also establishes a peer assistance program for veterinarians to allow those veterinarians impaired by a physical, emotional, or psychological problem to obtain assistance and intervention to correct the problem and continue their practice.

Section 9 directs the board to develop a uniform system and schedule of fines that it may impose for violations of the practice act regulating veterinarians.

Section 10 modifies the grounds for discipline as follows:

- ! Removes the reference to addiction or dependence on alcohol or drugs and instead allows discipline based on one's use or abuse of those substances; and
- ! Adds failure to respond to a complaint, failure to update contact information, and failure to properly supervise staff or students as grounds for discipline.

Section 11 modifies the definition of "veterinarian-client-patient relationship" to allow the veterinarian in the relationship to arrange for emergency coverage by another veterinarian to provide follow-up evaluation in the event the primary veterinarian is not available for the follow-up care.

Section 12 imposes a 2-year waiting period for a veterinarian whose license has been revoked or who has surrendered his or her license in lieu of discipline. Section 12 also allows the board to suspend the license of a veterinarian for failure to comply with an order of the board

and to continue the suspension until the veterinarian complies.

Section 13 repeals the requirement for notice and hearing before the governor may remove a board member.

Sections 14 through 25 implement technical changes recommended in the sunset report. Technical amendments also appear in numerous other sections of the bill.

Be it enacted by the General Assembly of the State of Colorado:
