department of regulatory agencies in its 2010 sunset review of the regulation program for direct-entry midwives (program).

Sections 1, 2, and 3 of the bill continue the program for 5 years, until September 1, 2016. **Section 4** prohibits a certified nurse-midwife from being simultaneously licensed as a nurse and registered as a direct-entry midwife. **Section 5** clarifies applicable definitions. **Sections 6, 7, 8, 10, 12, and 13** make technical changes and corrections to existing language.

Section 9 gives direct-entry midwives limited prescriptive authority to obtain and administer vitamin K, Rho(D) immune globulin, and antihemorrhagic drugs, subject to stated limitations and rules of the director of the division of registrations (director), beginning March 31, 2012. Section 9 also gives direct-entry midwives the authority to obtain eye prophylaxis, which they are already authorized and directed to administer to newborns, and to perform suturing and administration of intravenous fluids in accordance with rules of the director.

Section 11 clarifies the distinction, for disciplinary penalty purposes, between serious violations of the standards of practice and less serious violations of applicable statutes and rules. Section 11 also:

- ! Requires the director to adopt rules establishing a fine structure and the circumstances under which fines may be imposed;
- ! Adds to the list of violations for which suspension or revocation is authorized a failure to respond in a full and timely manner to a complaint and a failure to comply with an order of the director;
- ! Amends language referring to "habitual intemperance" with regard to drugs or alcohol; and
- ! Makes technical amendments and corrections to existing statutory language.

17 **SECTION 12.** 12-37-109, Colorado Revised Statutes, is
18 amended to read:

19 =====
20 **12-37-109. Assumption of risk - no vicarious liability -**
21 **legislative declaration.** (1) (a) The general assembly hereby finds,
22 determines, and declares that the authority granted in this article for the
23 provision of unlicensed midwifery services does not constitute an
24 endorsement of such practices, and that it is incumbent upon the
25 individual seeking such services to ascertain the qualifications of the
26 registrant direct-entry midwife. It is the policy of this state that
27 registrants shall be liable for their acts or omissions in the performance

1 of the services that they provide, and that no licensed physician, nurse,
2 prehospital emergency medical personnel, or health care institution shall
3 be liable for any act or omission resulting from the administration of
4 services by any registrant. The provisions of This subsection (1) shall
5 DOES not relieve any physician, nurse, prehospital emergency personnel,
6 or health care institution from liability for any willful and wanton act or
7 omission or any act or omission constituting gross negligence, or under
8 circumstances where a registrant has a business or supervised relationship
9 with any such physician, nurse, prehospital emergency personnel, or
10 health care institution. A physician, nurse, prehospital emergency
11 personnel, or health care institution may provide consultation or
12 education to the registrant without establishing a business or supervisory
13 relationship, AND IS ENCOURAGED TO ACCEPT REFERRALS FROM
14 REGISTRANTS PURSUANT TO THIS ARTICLE.

15 (b) The general assembly further finds, determines, and declares
16 that the limitation on liability provided in section 13-64-302, C.R.S., is
17 predicated upon full licensure, discipline, and regulatory oversight and
18 that the practice of unlicensed midwifery by registrants pursuant to this
19 article is authorized as an alternative to such full licensure, discipline, and
20 regulatory oversight and is therefore not subject to the limitations
21 provided in section 13-64-302, C.R.S.

22 (2) Nothing in this article shall be construed to indicate or imply
23 that a registrant providing services under this article is a licensed health
24 care provider for the purposes of reimbursement by any health insurer,
25 third party payer, or governmental health care program.

26 (3) ~~At such time as IF the director finds that liability insurance is~~
