**Amendments/Appropriation Status**

The bill includes an appropriation clause that provides \$54,538 reappropriated funds to the Governor's Office of Information Technology for computer programming costs required by the bill as described in the Legislative Council Staff Fiscal Note dated January 18, 2011. The funds are reappropriated from the Department of Transportation.

The Department of Transportation does not require an appropriation of \$56,067 cash funds because the funds in the bill are continuously appropriated to the Department.
