**Amendments/Appropriation Status**

The bill requires but does not contain an appropriation clause. Staff has prepared amendment **J.001** (attached) to add a provision decreasing the appropriation to the Department of Public Safety by \$1,852,948 and 26.4 FTE. Of this amount, \$1,546,877 is from the General Fund and \$306,071 is cash funds from concealed handgun application fees.

**Bill Sponsor Amendments**

Staff is not aware of any sponsor amendments to be offered.

**Points to Consider**

The General Appropriations Act for FY 2012-13 has not been introduced. The appropriation adjustments in this bill are based on an estimate. Thus, adjustments to the FY 2012-13 General Appropriations Act may be required through the budget true-up process.
