Basement Signage Review

A photograph of a wall with a light fixture and a "NO SMOKING" sign. The wall is light-colored with vertical decorative lines. A glowing, oval-shaped light fixture is mounted at the top. Below it, a black rectangular sign with white text reads "NO SMOKING". The bottom of the wall is bordered by a dark wood panel. To the left, a dark wooden bench or chair is partially visible.

NO SMOKING

PLEASE
LIMIT ELEVATOR
OCCUPANCY TO
12 PEOPLE
