

Dear Committee members,

As a Chiropractor practicing in Colorado,
I am opposed to HB 1288 for the
following reasons:

- 1) we have the internet & can educate ourselves just fine
- 2) I consider vaccines to be unsafe & creating long term illnesses in our population
- 3) It is our civil right to refuse medical treatment
- 4) This bill threatens our medical privacy
- 5) vaccines do not produce true immunity.

Thank you for voting no on HB1288.
