

**Presentation to the
Capital Development Committee**
December 15, 2015

Colorado State University – Pueblo

Then

CSU-Pueblo 1965

Now

CSU-Pueblo 2015

New General Classroom Building

Building provides effective and needed instructional space that has the technology and flexibility to serve today's growing curriculum and student needs. Spaces included are:

- (2) Large tiered lecture auditoriums**
- (6) New classrooms**
- (4) New computer labs**

Building is designed and constructed to a minimum of LEED (Leadership in Energy and Environmental Design) Gold Standard.

Soccer / Lacrosse Complex

Complex will be constructed at the current Colorado State University – Pueblo Soccer Field and will consist of :

- New synthetic turf field
- New locker rooms and training room
- 600 – seat grandstand and press box

Occhiato University Center Renovation

The Occhiato University Center is the “hearthstone” of the University. Renovation of the building will provide:

- dynamic, technologically-modern spaces for students
- improved, energy efficient residential dining and retail functions
- functional separation of student-use areas from on-going community activities
