

Healthy Kids Colorado Survey

This survey is about health behavior. It has been developed so you can tell us what you do that may affect your health. The information you give will be used to improve health education for young people like yourself.

DO NOT write your name on this survey. The answers you give will be kept private. No one will know what you write. Answer the questions based on what you really do.

Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank.

The questions that ask about your background will be used only to describe the types of students completing this survey. The information will not be used to find out your name. No names will ever be reported.

Make sure to read every question. Fill in the ovals completely. When you are finished, follow the instructions of the person giving you the survey.

Thank you very much for your help.

Throughout the survey you will see some questions with possible responses, big NO!, no, yes, or big YES!

NO! means definitely not true for you,
no means mostly not true for you,
yes means mostly true for you,
and YES! means definitely true for you.

Example: Chocolate is the best ice cream flavor.

NO! no yes YES!

In the example above, the student marked "yes" because he or she thinks the statement is mostly true.
