

**UPDATED SUMMARY
SENATE BILL 15-278**

First Regular Session - Seventieth Colorado General Assembly

This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.

In the annual general appropriation act for the 2013-14 fiscal year, the general assembly appropriated moneys for the Colorado state capitol dome restoration project. The capitol dome restoration project is now complete, and a portion of the moneys appropriated for the project are currently unexpended and unencumbered. To authorize the department of personnel and administration to use the unexpended and unencumbered moneys for the next planned phase of the state capitol restoration, the bill amends the general appropriation act for the 2013-14 fiscal year to allow the moneys originally appropriated for the Colorado state capitol dome restoration project to be used more generally for Colorado state capitol restoration.

Italicized words indicate new material added to the original summary; dashes through words indicate deletions from the original summary.
