None.	

Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2015-16. The bill creates the Natural Hazard Mapping Fund to receive the General Fund transfers used to support the Natural Hazard Mapping Program. Moneys in the fund are continuously appropriated to the Colorado Water Conservation Board for the purpose of implementing and administering the program. No additional spending authority is required for program-related expenditures.

Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a budget package for FY 2015-16 based on the March 2015 Legislative Council Staff revenue forecast. The JBC has included as part of its FY 2015-16 budget package the \$3.8 million General Fund revenue decrease that would result from the passage of this bill.
