

**UPDATED SUMMARY
SENATE BILL 15-202**

First Regular Session - Seventieth Colorado General Assembly

This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.

The bill limits the inclusion of water conditioning appliances in the definition of "plumbing" to only the installation of such systems that are connected to potable water systems with a pipe that is greater than 2 inches nominal diameter and specifically excludes from that definition the design, installation, and repair of such systems with a pipe that is 2 inches or less nominal diameter. The bill also clarifies that a person does not have to be registered as a plumbing contractor to ~~subcontract with a plumber if all plumbing performed pursuant to the person's contract is performed by a licensed plumber~~ *advertise, sell, install, or contract for the installation of a water conditioning appliance connected to a potable water system with a pipe that is 2 inches or less nominal diameter.*

Italicized words indicate new material added to the original summary; dashes through words indicate deletions from the original summary.
