

**UPDATED SUMMARY
SENATE BILL 15-193**

First Regular Session - Seventieth Colorado General Assembly

This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.

Joint Technology Committee. The statewide internet portal authority (authority) was created by the general assembly to provide electronic government services for eligible governmental entities and residents.

The authority is currently required to submit 2 separate reports to different committees of the general assembly. The bill consolidates the 2 reports and requires the authority to submit one annual report to the members of the joint technology committee, the joint budget committee, and the committees of the house of representatives and the senate that oversee business affairs.

Italicized words indicate new material added to the original summary; dashes through words indicate deletions from the original summary.
