*(Note: This summary applies to this bill as introduced and does not necessarily reflect any amendments that may be subsequently adopted.)*

**Interim Committee on Auto Insurance.** Creates the Colorado consumer insurance board (board). Requires the governor to appoint, with the consent of the senate, 11 members to the board who represent business and consumer interests, one from each congressional district, and not more than 6 from the same political party. Requires the members, to the extent possible, to have experience in various insurance matters.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters indicate new material to be added to existing statute.*  
*Dashes through the words indicate deletions from existing statute.*

Establishes that the members shall be appointed in staggered terms beginning March 1, 2007, and shall meet at least 6 times per year. Prohibits any person who has certain financial or proprietary interests in a corporation that is subject to regulation by the division or the commissioner from being appointed to the board.

Requires the board to represent the public interest of Colorado insurance users. Grants power to the board to provide policy guidance to the commissioner of insurance (commissioner), gather and prepare information to be used at hearings regarding proposed insurance legislation, annually review the performance of the commissioner, and contract with employees outside of the employ of the division or the department. Specifies that the board may participate as a party in any proceeding before the division concerning premium rate changes, rule-making, copayment or deductible amounts, tariffs, and modifications of service. Prohibits the board from being a party to any individual complaint between an insurer and individual.

Requires the commissioner to work in cooperation with the board to represent the public interest. Requires the commissioner to serve the board with notice of all rate changes for insurers regulated under title 10 of the Colorado Revised Statutes. Allows members of the public to respond in writing to any changes recommended by the board.

Requires the attorney general to advise the board in all legal matters and to provide representation in proceedings in which the board participates.

Repeals the board on July 1, 2016, subject to legislative review under the sunset law.
