Thirteen Lives Saved

One DNA sample taken
upon arrest

Thirteen lives saved

Prevented an innocent man
spending 11 years in prison

**53 Rapes & Murders
Prevented**

61

Matches

**DNA molecule has
over 3 billion
markers.**

DNA molecule has
over 3 billion
markers.

Only 13-15 go into
CODIS

DNA

**in the database
cannot reveal any
genetic, medical or
private information**

The Virginia State
Supreme Court
upheld DNA upon
arrest

69.7%

Arrested are
Caucasian

\$200,000

could have been

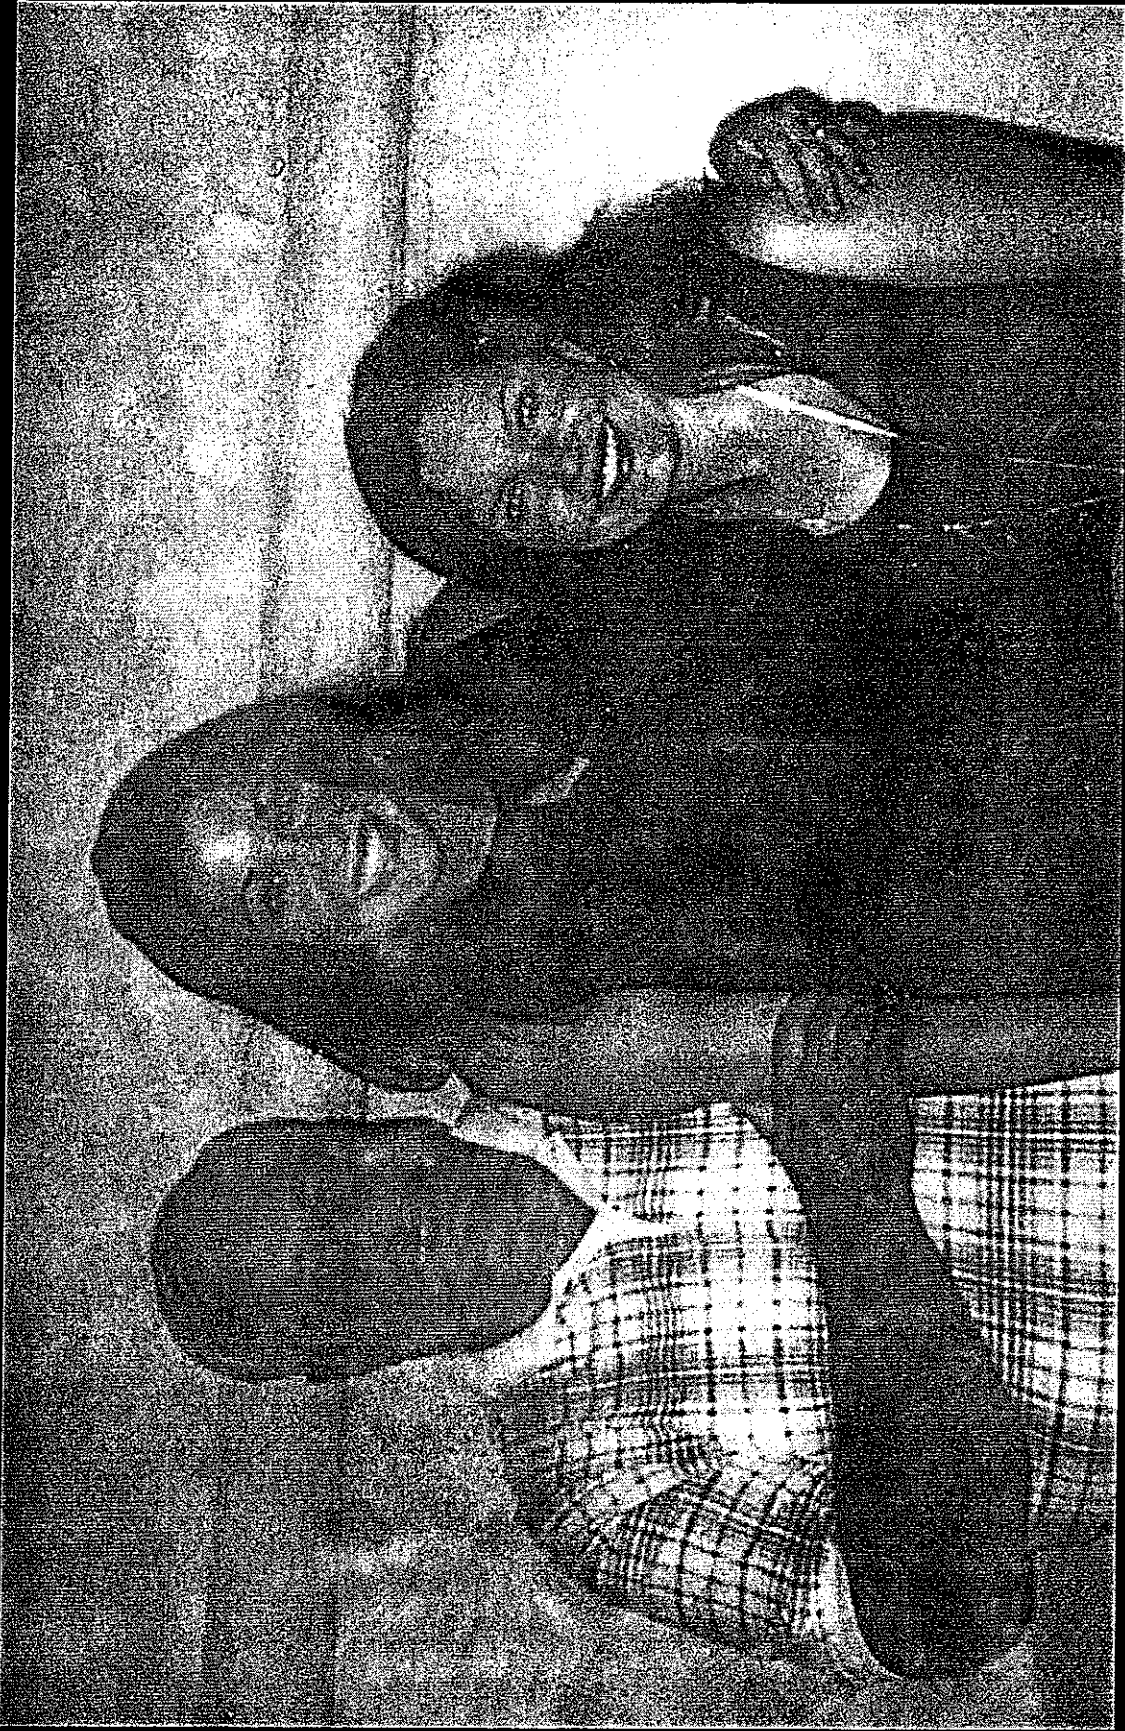

saved

\$50
million per
year
saved!

**DNA databasing
is an investment**

Seventeen
states have
this law

DNA is truth
