FY 2010-11 Two-Year Projection of Cash Need

University of Colorado -- Boulder

Data Center 2008-057 The project creates a 20,000-GSF data center to consolidate campus-wid address a research space deficit. The source of cash funds is the Research Building Revolving Fund. Kittredge Dining Center, Bakery, and Commissary 2008-059 The project renovates 50,823-GSF in the two-story Kittredge Commons E support space for the Residential Academic Program, Student Academic Information Technology group. The source of cash funds is revenue from Housing and Dining Services. Kittredge West Renovation, Kittredge Complex (Capital Renewal Project) 2008-063 The project renovates 74,567-GSF in the Kittredge West Residence Hall the Residential Academic Program. The university explains that this conconsistent with what is available in many of its other residence halls. The source of cash funds is revenue from Housing and Dining Services.
