# Year to Year Funding

CDOT Funding Sources by Fiscal Year, Actual 1990-2008 and Projected 2009-2012

# The Crisis

- \$65 billion shortfall statewide
- 128 Structurally deficient bridges
- 40% ➔ 47% roads in poor condition
- 20% state highway needs complete reconstruction
- 1.5 million more people by 2020
- Population over 65 will double by 2025
- Truck traffic will double by 2030

## Solution

- The need to fix and maintain our aging infrastructure will not go away.
- Colorado must provide a permanent, dependable and sustainable revenue source that will provide a safe, reliable, and convenient transportation system to support our economy and the needs of our citizens.

# FY 10 Funding Available
