June 1, 2010

Senator Bob Bacon, Chair  
Capital Development Committee  
029 State Capitol  
Denver, CO 80203

Dear Senator Bacon:

On May 21, 2010, the Capitol Building Advisory Committee (advisory committee) approved a proposal from the Colorado Quilting Council to display quilts at the State Capitol during the summer of 2011. The proposal submitted by the Quilting Council is attached. This proposal is being forwarded to the Capital Development Committee pursuant to Section 24-82-108, C.R.S.

The Colorado Quilting Council's biennial exhibition at the State Capitol would begin with an opening reception on Friday, June 10, 2011, and would close on Friday, August 19, 2011. The Quilting Council once again will work with the Freeman Company on the installation and dismantling of the exhibition and also will work closely with the Capitol Complex Facilities Division to prevent any damage to the building or its appointments.

The advisory committee believes that the exhibition brings a welcome dash of color and artistry to the Capitol interior during the summer months. The quilt show is a tradition that now dates back more than 20 years and is enjoyed by visitors and building tenants alike. The advisory committee recommends that this proposal be approved. Thank you for your consideration.

Sincerely,

Georgianna Contiguglia  
Chair, Capitol Building Advisory Committee
