

Economic Recovery and Safe Roads for Colorado.

Economy

Over 100,000 people will pay in order to obtain a driver license.

The state will save money on courts, police, translators and incarceration costs.

Drivers with a license are responsible for paying the total cost of an accident when the other driver is unlicensed and uninsured,

it means drivers without these documents are unable to cover the cost of damages and medical expenses.

More licensed drivers are able to purchase vehicles, car insurance, taxes and licensing fees payed to the state.

Safety

Proof of colorado residency for 3 years which can be proved with tax returns.

Can use ITIN number in place of social security number which is issued by the federal government.

Present 2 ID's from country of origin.

Criminal background check will be performed.

Required to pass theoretic and practical driving test.

Another benefit

Over 100, 000 will have the option of becoming organ & tissue donors.
