Petition For An Initiated Law Be it Enacted by the People of the State of Colorado that ballots be changed to answering the question "Should This Candidate, (insert candidate's name), Hold This Elected Office?" Yes or No.

Proposed Name: Yes/No Initiative

Simple Description: This change to Title 1 Elections allows every voter to vote "yes" or "no" for every candidate seeking an elected office. A yes vote counts as +1, a no vote counts as -1. The numerical values are summed for each candidate for a net vote count. The winner of the office is the candidate with the greatest summed numerical value.

There is a compelling state interest in encouraging increased voter participation and the yes/no initiative promotes this interest by allowing the Colorado electorate to more fully participate in the multi-party diverse Colorado political spectrum.

Example ballot is on next page, followed by proposed wording for the law:
