TITLE: CONCERNING THE CONTINUATION OF THE ORGAN AND TISSUE DONATION AWARENESS FUND.**Summary of Assessment**

This bill continues the Organ and Tissue Donation Awareness Fund until July 1, 2018. It is effective upon the signature of the Governor.

The Organ and Tissue Donation Awareness Fund was established to provide funding for activities to promote organ and tissue donation. Voluntary contributions are made by individuals when renewing or obtaining a Colorado driver's license or identification card. The contributions are collected by the Department of Revenue and deposited into the fund. Upon request, funds are released to the Transplant Council of the Rockies, also known as the Donor Awareness Council, for approved programs. Last year, contributions totaled \$326,400.

Since the bill simply continues an existing program, it is assessed as having no fiscal impact.
