JBC Staff Concurrence with Legislative Council Staff Fiscal Note

Amendments/Appropriation Status

Staff has prepared **J.001**, which appropriates \$804 cash funds from the License Plate Cash Fund to the Department of Revenue for FY 2007-08.

The Department of Revenue does not require an appropriation of \$11,866 cash funds exempt from the Colorado State Titling and Registration System (CSTARS) account related to computer programming costs as identified in the Legislative Council Staff Revised Fiscal Note dated January 29, 2007, because the Joint Budget Committee has agreed to include an appropriation in the Long Bill for the Department of Revenue to implement legislation that requires computer programming hours.

Programming costs in the Department of Revenue to implement session legislation will be shown in the Long Bill line item entitled "Programming Costs for 2007 Session Legislation." The amount of funding in the Long Bill has yet to be determined.
