With respect to the form of a ballot question submitted to a vote of the people, requires a ballot issue changing the state constitution to be referred to as an "amendment" and a ballot issue changing the Colorado Revised Statutes to be referred to as a "proposition". Requires notice of such terminology to be printed on the official ballot.

Requires a ballot petition, including any signature addendums, to be filed with the secretary of state 3 weeks earlier. Makes the deadline

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.

HOUSE  
3rd Reading Unamended

HOUSE  
Amended 2nd Reading  
April 14, 2009

for the last title board meeting prior to an election one month earlier.

Permits a registered elector who signs a petition to withdraw his or her signature by filing a written request with the secretary of state on or before the date the petition is filed with the secretary.

Adds a notice to the top of each page of an initiative petition that a signature indicates support for the placement of the measure on the ballot as a change to either the state constitution or the Colorado Revised Statutes, as applicable, and that, if a sufficient number of registered electors sign the petition, the measure will appear on the ballot.

With respect to circulators, notaries public, and the notarized affidavit that is attached to a petition:

- ! Requires the circulator to affirm that he or she understands the consequences for violating petition laws and for failing to be available in person or by deposition at a protest.
- ! Prohibits a notary public from notarizing an affidavit unless the circulator is in the physical presence of the notary public, the circulator has dated the affidavit and fully completed all the personal information on the affidavit, and the circulator has presented an acceptable form of identification.
- ! Requires the notary public to specify the form of identification that the circulator presented on a blank line included on the affidavit form.
- ! Requires the date signed by a circulator and the notary public to be the same.
- ! Establishes that the date signed by a notary public will not cure a circulator's failure to sign the affidavit.
- ! Prohibits the secretary of state from accepting any petition section that does not have a valid notarized affidavit that complies with all of the statutory requirements related thereto.
- ! Requires a circulator to appear at any petition protest in person, by telephone, or by any other means permitted under the Colorado rules of civil procedure, and invalidates a petition section if a circulator fails to appear at certain protests.
- ! Requires the proponents of a petition or an issue committee acting on behalf of the proponents to maintain a list of the names and addresses of all their circulators and notaries public and the petition section numbers that each circulated or notarized and to file such list with the secretary of state along with the petition, at which time the list shall be a public record.
- ! Requires the secretary of state to prepare the list if one is not received from the proponents and to charge the

- proponents a fee for such preparation.
- ! Requires a circulator who collects more than 100 signatures for any petition to receive training related to potential fraudulent activities in petition circulation.
- ! Invalidates all petition sections circulated in whole or in part by anyone other than the circulator who signs the affidavit attached to the petition sections.
- ! Permits a circulator who is not present in the state to testify by telephone or any other means permitted under the Colorado rules of civil procedure.
- ! Requires the proponents of a petition or an issue committee acting on behalf of the proponents to file the dates of circulation of all paid circulators, the total hours that each circulator was paid, and the gross amount of wages for such work.

After a statement of sufficiency, requires the secretary of state to make a petition available to the public for copying upon request.

Establishes that a district court shall have jurisdiction to consider a protest challenging the secretary of state's statement of a petition's sufficiency without further agency action. Clarifies that the grounds for challenging individual signatures or petition sections shall include fraud or violations of the laws relating to petitions committed by any person involved in the petition circulation process, the use of a petition form that does not comply with the provisions of the act, and any improprieties related to the statutorily prescribed duties by a circulator or notary public. Permits a district court to consider all signatures in a random sample if a protest is limited to an allegation that there were defects in the secretary of state's statement of sufficiency based on a random sample. Permits attorney fees and costs to be sought if the district court determines that there are invalid signatures or petition sections as a result of fraud. Requires attorney fees and costs to be awarded if a protest or defense is determined to be substantially frivolous, substantially groundless, or substantially vexatious.

Creates new criminal violations for unlawful acts related to initiative petitions.

Establishes that the deadline for a designated representative of the proponents of an initiative petition to withdraw the petition from consideration as a ballot issue is 27 days earlier than under current law.

Requires a petition entity to be licensed by the secretary of state. Prohibits the secretary of state from issuing a license to a petition entity unless:

- ! The secretary of state finds that the petition entity's record of petition circulation is consistent with the prevention of fraud in the state's petition circulation process;
- ! The petition entity agrees that all circulators shall not be

- ! paid on a per signature or petition section basis; and
- ! A current representative of the petition entity has completed training requirements related to potential fraudulent activities in petition circulation.

Requires a petition entity to register with the secretary of state by providing the secretary of state the:

- ! Ballot title of any proposed measure for which a petition will be circulated by circulators coordinated or paid by the petition entity;
- ! Current name, address, telephone number, and electronic mail address of the petition entity; and
- ! Name and signature of the designated agent of the petition entity for the proposed measure.

At the request of the secretary of state, requires the petition entity to provide documentation demonstrating that it is not paying circulators on a per signature or petition section basis. Requires the secretary of state to revoke a license if the petition entity authorized or knowingly permitted certain activities related to ballot petitions. Requires the petition entity to pay a license fee in an amount determined by the secretary of state.

7 SECTION 2. 1-40-101, Colorado Revised Statutes, is amended  
8 to read:

9 **1-40-101. Legislative declaration.** (1) THE GENERAL ASSEMBLY  
10 DECLARES THAT it is not the intention of this article to limit or abridge in  
11 any manner the powers reserved to the people in the initiative and  
12 referendum, but rather to properly safeguard, protect, and preserve  
13 inviolate for them these modern instrumentalities of democratic  
14 government.

15 (2) (a) THE GENERAL ASSEMBLY FINDS, DETERMINES, AND  
16 DECLARES THAT:

17 (I) THE INITIATIVE PROCESS RELIES UPON THE TRUTHFULNESS OF  
18 CIRCULATORS WHO OBTAIN THE PETITION SIGNATURES TO QUALIFY A  
19 BALLOT ISSUE FOR THE STATEWIDE BALLOT AND THAT DURING THE 2008  
20 GENERAL ELECTION, THE HONESTY OF MANY PETITION CIRCULATORS WAS  
21 AT ISSUE BECAUSE OF PRACTICES THAT INCLUDED: USING THIRD PARTIES  
22 TO CIRCULATE PETITION SECTIONS, EVEN THOUGH THE THIRD PARTIES DID  
23 NOT SIGN THE CIRCULATOR'S AFFIDAVIT, WERE NOT OF LEGAL AGE TO ACT  
24 AS A CIRCULATOR, AND WERE PAID IN CASH TO CONCEAL THEIR IDENTITIES;  
25 PROVIDING FALSE NAMES OR RESIDENTIAL ADDRESSES IN THE  
26 CIRCULATOR'S AFFIDAVITS, A PRACTICE THAT PERMITS CIRCULATORS TO  
27 EVADE DETECTION BY PERSONS CHALLENGING THE SECRETARY OF STATE'S

1 SUFFICIENCY DETERMINATION; CIRCULATING PETITION SECTIONS WITHOUT  
2 EVEN A RUDIMENTARY UNDERSTANDING OF THE LEGAL REQUIREMENTS  
3 RELATING TO PETITION CIRCULATION; AND OBTAINING THE SIGNATURES OF  
4 PERSONS WHO PURPORTED TO NOTARIZE CIRCULATOR AFFIDAVITS, EVEN  
5 THOUGH SUCH PERSONS WERE NOT LEGALLY AUTHORIZED TO ACT AS  
6 NOTARIES OR ADMINISTER THE REQUIRED OATH;

7 (II) THE PER SIGNATURE COMPENSATION SYSTEM USED BY MANY  
8 PETITION ENTITIES PROVIDES AN INCENTIVE FOR CIRCULATORS TO COLLECT  
9 AS MANY SIGNATURES AS POSSIBLE, WITHOUT REGARD FOR WHETHER ALL  
10 PETITION SIGNERS ARE REGISTERED ELECTORS; AND

11 (III) MANY PETITION CIRCULATOR AFFIDAVITS ARE THUS  
12 EXECUTED WITHOUT REGARD FOR SPECIFIC REQUIREMENTS OF LAW THAT  
13 ARE DESIGNED TO ASSIST IN THE PREVENTION OF FRAUD, ABUSE, AND  
14 MISTAKE IN THE INITIATIVE PROCESS.

15 (b) THE GENERAL ASSEMBLY FURTHER FINDS, DETERMINES, AND  
16 DECLARES THAT:

17 (I) BECAUSE PETITION CIRCULATORS WHO RESIDE IN OTHER STATES  
18 TYPICALLY LEAVE COLORADO IMMEDIATELY AFTER PETITIONS ARE  
19 SUBMITTED TO THE SECRETARY OF STATE FOR VERIFICATION, A FULL AND  
20 FAIR EXAMINATION OF FRAUD IN THE PETITION CIRCULATION PROCESS IS  
21 FRUSTRATED, AND AS A RESULT, THE SECRETARY OF STATE HAS BEEN  
22 FORCED TO GIVE EFFECT TO CERTAIN CIRCULATOR AFFIDAVITS THAT WERE  
23 NOT PROPERLY VERIFIED AND THUS WERE NOT PRIMA FACIE EVIDENCE OF  
24 THE VALIDITY OF PETITION SIGNATURES ON AFFECTED PETITION SECTIONS;  
25 AND

26 (II) THE COURTS HAVE NOT HAD AUTHORITY TO EXERCISE  
27 JURISDICTION OVER FRAUDULENT ACTS BY CIRCULATORS AND NOTARIES

1 PUBLIC IN CONNECTION WITH PETITION SIGNATURES REVIEWED AS PART OF  
2 THE SECRETARY OF STATE'S RANDOM SAMPLE.

3 (c) THEREFORE, THE GENERAL ASSEMBLY FINDS, DETERMINES, AND  
4 DECLARES THAT:

5 (I) AS A RESULT OF THE PROBLEMS IDENTIFIED IN PARAGRAPHS (a)  
6 AND (b) OF THIS SUBSECTION (2), ONE OR MORE BALLOT MEASURES  
7 APPEARED ON \_\_\_\_\_ THE STATEWIDE BALLOT AT THE 2008 GENERAL  
8 ELECTION EVEN THOUGH SIGNIFICANT NUMBERS OF THE UNDERLYING  
9 PETITION SIGNATURES WERE OBTAINED IN DIRECT VIOLATION OF  
10 COLORADO LAW AND THE ACCURACY OF THE SECRETARY OF STATE'S  
11 DETERMINATION OF SUFFICIENCY COULD NOT BE FULLY EVALUATED BY  
12 THE DISTRICT COURT; AND

13 (II) FOR THE INITIATIVE PROCESS TO OPERATE AS AN HONEST  
14 EXPRESSION OF THE VOTERS' RESERVED LEGISLATIVE POWER, IT IS  
15 ESSENTIAL THAT CIRCULATORS TRUTHFULLY VERIFY ALL ELEMENTS OF  
16 THEIR CIRCULATOR AFFIDAVITS AND MAKE THEMSELVES AVAILABLE TO  
17 PARTICIPATE IN CHALLENGES TO THE SECRETARY OF STATE'S  
18 DETERMINATION OF PETITION SUFFICIENCY.

19 **SECTION 3.** 1-40-102, Colorado Revised Statutes, is amended  
20 BY THE ADDITION OF A NEW SUBSECTION to read:

21 **1-40-102. Definitions.** As used in this article, unless the context  
22 otherwise requires:

23 (3.5) "CIRCULATOR" MEANS A PERSON WHO PRESENTS TO OTHER  
24 PERSONS FOR POSSIBLE SIGNATURE A PETITION TO PLACE A MEASURE ON  
25 THE BALLOT BY INITIATIVE OR REFERENDUM.

26 **SECTION 4.** 1-40-106 (1), Colorado Revised Statutes, is  
27 amended to read:

1           **1-40-106. Title board - meetings - titles and submission clause.**

2           (1) For ballot issues, beginning with the first submission of a draft after  
3           an election, the secretary of state shall convene a title board consisting of  
4           the secretary of state, the attorney general, and the director of the office  
5           of legislative legal services or the director's designee. The title board, by  
6           majority vote, shall proceed to designate and fix a proper fair title for  
7           each proposed law or constitutional amendment, together with a  
8           submission clause, at public meetings to be held at the hour determined  
9           by the title board on the first and third Wednesdays of each month in  
10          which a draft or a motion for reconsideration has been submitted to the  
11          secretary of state. To be considered at such meeting, a draft shall be  
12          submitted to the secretary of state no later than 3 p.m. on the twelfth day  
13          before the meeting at which the draft is to be considered by the title  
14          board. The first meeting of the title board shall be held no sooner than  
15          the first Wednesday in December after an election, and the last meeting  
16          shall be held no later than the third Wednesday in ~~May~~ APRIL in the year  
17          in which the measure is to be voted on.

18           **SECTION 5.** 1-40-107 (1) and (5), Colorado Revised Statutes,  
19          are amended to read:

20           **1-40-107. Rehearing - appeal - fees - signing.** (1) Any person  
21          presenting an initiative petition or any registered elector who is not  
22          satisfied with a decision of the title board with respect to whether a  
23          petition contains more than a single subject pursuant to section  
24          1-40-106.5, or who is not satisfied with the titles and submission clause  
25          provided by the title board and who claims that they are unfair or that they  
26          do not fairly express the true meaning and intent of the proposed state law  
27          or constitutional amendment may file a motion for a rehearing with the

1 secretary of state within seven days after the decision is made or the titles  
2 and submission clause are set. The motion for rehearing shall be heard  
3 at the next regularly scheduled meeting of the title board; except that, if  
4 the title board is unable to complete action on all matters scheduled for  
5 that day, consideration of any motion for rehearing may be continued to  
6 the next available day, and except that, if the titles and submission clause  
7 protested were set at the last meeting in ~~May~~ APRIL, the motion shall be  
8 heard within forty-eight hours after the expiration of the seven-day period  
9 for the filing of such motions.

10 (5) In the event a motion for rehearing is filed in accordance with  
11 this section, the period for filing a petition in accordance with section  
12 1-40-108 shall not begin until a final decision concerning the motion is  
13 rendered by the title board or the Colorado supreme court; except that  
14 under no circumstances shall the period for filing a petition be extended  
15 beyond three months AND THREE WEEKS prior to the election at which the  
16 petition is to be voted upon.

17 **SECTION 6.** 1-40-108 (1), Colorado Revised Statutes, is  
18 amended to read:

19 **1-40-108. Petition - time of filing.** (1) No petition for any ballot  
20 issue shall be of any effect unless filed with the secretary of state within  
21 six months from the date that the titles and submission clause have been  
22 fixed and determined pursuant to the provisions of sections 1-40-106 and  
23 1-40-107 and unless filed with the secretary of state ~~within the time~~  
24 ~~required by the state constitution~~ NO LATER THAN THREE MONTHS AND

26 petition for a ballot issue for the election to be held in November of  
27 odd-numbered years shall be filed with the secretary of state ~~within the~~

2 odd-year election. ~~as is required by the state constitution for issues to be~~
