- 13a Department of Higher Education, Colorado Commission on Higher Education, Administration, Administration; and College Opportunity Fund Program, Fee-for-service Contracts with State Institutions -- It is the intent of the General Assembly that the Department of Higher Education reduce expenditures for the Department's administration line item by five percent. The Department should accordingly collect less in FY 2009-10 in indirect cost recoveries from the higher education agencies.
- 14 Department of Higher Education, Colorado Commission on Higher Education, Special Purpose, Enrollment/Tuition and Stipend Contingency -- The Colorado Commission on Higher Education may transfer spending authority from this line item to the Governing Boards in the event that tuition or stipend revenues increase beyond appropriated levels. The spending authority for this line item shall be in addition to the funds appropriated directly to the Governing Boards. The Colorado Commission on Higher Education shall not authorize transfers of spending authority from this line item to support tuition or fee increases.
- 15 Department of Higher Education, Colorado Commission on Higher Education Financial Aid, Work Study -- It is the intent of the General Assembly to allow the Colorado Commission on Higher Education to roll forward two percent of the Work Study appropriation to the next fiscal year.

In the event that reductions in funding from the stipends and fee-for-service contracts with higher education institutions exceed 9.0 percent of the appropriation for stipends and fee-for-service contracts in H.B. 08-1375, the institutions of higher education shall be allowed to increase tuition above the 9.0 percent limit up to the amount necessary to backfill the loss of funds, subject to the approval of the institutions's respective governing board. It is the intent of the General Assembly that any increases in spending authority necessary to cover the backfill of lost stipends and fee-for-service contracts will be addressed through a supplemental in the 2010 session. 18a Department of Higher Education, Governing Boards, State Board for Community Colleges and Occupational Education State System Community Colleges -- It is the intent of the General Assembly that administrative costs for the community college's system office be reduced by one hundred thousand dollars (\$100,000) and that the savings be allocated to the community college institutions under the control of the governing board.

19 Department of Higher Education, Local District Junior College Grants Pursuant to Section 23-71-301, C.R.S. -- It is the intent of the General Assembly in making this appropriation that local district tax revenue supplement, rather than supplant, the amount of General Fund provided, and thus annual General Fund adjustments should be equitable with General Fund adjustments for the state-operated governing boards.
