the county department to provide certain information to the mandatory reporter, including but not limited to the name of persons who may pose a safety risk to the victim, whether the victim has been returned to his or her home, whether the case has been closed, and contact information for the caseworker investigating the report. Within 90 calendar days after receipt of the report by the county department, a mandatory reporter may seek certain additional information from the county department.

The bill authorizes a county department to provide this information only to certain mandatory reporters, including but not limited to hospitals, physicians, nurses, school employees and officials, and mental health professionals.

Information disclosed to a mandatory reporter is confidential, and the mandatory reporter shall not disclose the information to any other person.
