Points to Consider

The Joint Budget Committee (JBC) has introduced a balanced budget package for FY 2009-10 based on the December 2009 Legislative Council Staff revenue forecast. The JBC has included as part of its plan the General Fund revenue increase that would result from the passage of this bill, as introduced. Thus, if this bill does not become law with at least \$150,970 in General Fund revenues for FY 2009-10, General Fund expenditures will need to be reduced in the FY 2009-10 budget by \$150,970.
