JBC Staff Concurrence with Legislative Council Staff Fiscal Note

Concurs **Does Not Concur** **Updated Analysis**

Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2010-11. As indicated in the attached Legislative Council Staff Fiscal Note, this bill is anticipated to increase the amount available in the State Public School Fund for appropriation in future fiscal years by \$1,511. These moneys would thus be available to appropriate in the FY 2010-11 Long Bill for school finance, thereby reducing the amount required from the General Fund.
