JBC Staff Concurrence with Legislative Council Staff Fiscal Note

☒ **XXX** **Concurs** ☐ **Does Not Concur** ☐ **Updated Analysis**

Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2010-11. The Department of Revenue does not require an appropriation of \$8,238 General Fund for computer programming costs as identified in the Legislative Council Staff Revised Fiscal Note dated April 6, 2010, because the Long Bill includes an appropriation for the Department of Revenue to implement legislation that requires computer programming hours. Programming costs in the Department of Revenue to implement session legislation are shown in the Long Bill line item entitled "Programming Costs for 2010 Session Legislation."

The Department of Transportation does not require an appropriation because the funds in the bill are continuously appropriated to the Department.
