JBC Staff Concurrence with Legislative Council Staff Fiscal Note

Concurs **Does Not Concur** **Updated Analysis**

Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2010-11. The Department of Revenue does not require an appropriation of \$942 cash funds from the Colorado State Titling and Registration Account for computer programming costs as identified in the Legislative Council Staff Revised Fiscal Note dated February 8, 2010, because the Long Bill includes an appropriation for the Department of Revenue to implement legislation that requires computer programming hours. Programming costs in the Department of Revenue to implement legislation will be shown in the Long Bill line item titled "Programming Costs for 2010 Session Legislation."
