Budget Package Bill. Sections 1 and 2. The federal "Personal Responsibility and Work Opportunity Reconciliation Act of 1996" requires a 5-year waiting period for access to public benefits for all qualified aliens except those subject to specific federal exclusions. Current state law has a 3-year waiting period for the old age pension (OAP) for qualified aliens. Sections 1 and 2 of the bill conform the waiting period for OAP for qualified aliens with the federal 5-year waiting period. Sections 1 and 2 take effect July 1, 2010.

Sections 3 -5. Colorado law requires the enforcement of financial responsibility requirements on people who sponsor the entry of noncitizens - qualified aliens - into the United States for the noncitizen to be eligible for public benefits, including the temporary assistance for needy families program, aid to the needy disabled, and aid to the blind. Sections 3, 4, and 5 of the bill align the noncitizen eligibility for the OAP with those financial responsibility requirements.

Sections 3, 4, and 5 of the bill eliminate conflicting statutory provisions for determining eligibility of noncitizens for OAP by eliminating the language that allows qualified aliens to be eligible for OAP without regard to a relative sponsor's income or resources. Under the bill, the income and resources of *all* sponsors (relatives and non-relatives) of a qualified alien will be counted in determining the eligibility for the OAP. This change in the statute will remove most sponsored noncitizens from the OAP. However, it will not affect refugees or other groups who are exempted from such requirements under federal law. Sections 3, 4, and 5 of the bill take effect January 1, 2011, or upon the expiration of the provisions of the federal "American Reinvestment and Recovery Act" or any other federal law that restricts reimbursement of an enhanced federal medicaid assistance percentage, known as FMAP, to a state that reduces eligibility for its medicaid program, whichever is later.

The bill is drafted in **Section 1** and **Section 4** to state that the additional requirements regarding the five-year bar on receipt of benefits and the deeming of sponsor income to relative sponsors do not affect the eligibility for OAP for a qualified alien who meets the eligibility criteria for OAP:

- ! If the county department of social services determines that the qualified alien has been abandoned by or is being mistreated by his or her sponsor or is an abused spouse; or
- ! If the qualified alien is also eligible for supplemental security income benefits.

Section 5 of the bill also directs that, for benefits provided on and after January 1, 2011, or the later effective date of section 5, the

department of human services may pursue repayment from a qualified alien's sponsor for the amount of OAP provided to a qualified alien during the time that the sponsorship affidavit of support is in effect as determined by the United States citizenship and immigration services or its successor agency.

Section 6 of the bill appropriates moneys in FY 09-10 and FY10-11 to the department of health care policy and financing and to the department of human services and appropriates moneys in FY10-11 to the office of state planning and budgeting in the governor's office for the costs to make changes to the Colorado benefits management system to implement the bill. **Section 6** of the bill also makes an adjustment to the 2010 long bill to decrease moneys in the old age pension cash assistance program by \$14,108,817.

1 *Be it enacted by the General Assembly of the State of Colorado:*
