HOUSE  
Amended 2nd Reading  
January 29, 2010

Effective March 1, 2010, the bill narrows the existing state sales and use tax exemptions for sales to retailers or vendors of food, meals, or beverages of articles, containers, and bags that are to be furnished without separate charge to consumers or users for use with articles of tangible personal property purchased at retail upon which state sales tax is paid so that articles, containers, and bags that are nonessential to the consumer or user are no longer exempt from the state sales and use taxes and makes conforming amendments to prevent the narrowing of the exemption from affecting county, municipal, and other local government or political subdivision sales and use taxes.
