List. Section 1 makes legislative findings.

Sections 2 and 3 require a health insurance company to notify any known covered person's designated representative of any denial of a benefit and of the right to appeal the denial. The designated representative could exercise certain rights during the appeal processes.

Section 4 directs the department of health care policy and financing (department) to provide recipients of public medical benefits with information concerning the recipient's right to appeal denials of benefits by third parties.

Section 5 provides that, by signing the application for medicaid, the applicant is designating the department as the applicant's designated representative for purposes of appealing any denial of benefits by a health insurance company paid for by medicaid.

Section 6 requires the department or its independent contractor to notify an insurance carrier that the department is the designated representative of a medicaid recipient. The department or the department's independent contractor, if necessary, shall appeal an adverse insurance coverage decision at any level.

Any agreement with an independent contractor to review and appeal adverse coverage decisions by an insurance carrier shall require the contractor to report specified information to the department. The department will report annually the information from the independent contractor to specified committees of the general assembly, which reporting requirement is repealed July 1, 2017.

The bill expresses the intent of the general assembly that additional recoveries from third parties pursuant to the bill should be used to pay the expenses of a long-term care ombudsman office and to reduce the waiting list of persons with a developmental disability.

Section 7 directs the department to establish a long-term care ombudsman office to assist long-term care recipients.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:
4 (a) There is a long waiting list for home- and community-based
5 services for children;
6 (b) Many families receiving services under the home- and
7 community-based services for children waivers have third-party insurance
8 coverage, but some families have difficulty:

(I) Navigating through the waiver application process;

(II) Understanding the scope and role of any private insurance coverage they may have; and

(III) Filing an appeal when a third-party insurance carrier denies a claim for benefits;

(c) More successful appeals of denials of claims would result in increased reimbursements to the medicaid program and the state;

(d) The costs of providing assistance to families seeking home- and community-based services waivers for children and providing assistance to those families in filing appeals of denials from third-party insurance carriers could be covered by increased reimbursements from third-party insurance carriers; and

(e) The increased reimbursements and recovered moneys from third-party insurance carriers should be used to reduce the waiting list for home- and community-based services for children.

SECTION 2. 10-16-113 (2), (3) (a) (III) (B), (3) (b) (IV), and (3) (b) (VI) (B), Colorado Revised Statutes, are amended to read:

27 REPRESENTATIVE nor the health coverage plan wants the recording made.

1 The health coverage plan shall make such recording available to the
2 covered person OR THE COVERED PERSON'S DESIGNATED REPRESENTATIVE.
